Fatin Hameed Mohammed

Mustansiriyah University- College of Science- Physics Department

Email:fakt_2006@yahoo.com

Personal Summary

Full name: Fatin Hameed Mohammed

Gender: Female

Nationality: Arab, Iraqi

Languages: Arabic, English

Current Address: Iraq, Baghdad

Education:

Ph.D: Baghdad university ,college of science ,physics department, Laser and molecular group

M.Sc: university of technology,Laser

B.Sc: Baghdad university, college of science ,physics department

Courses Taught:

Undergraduate:

- Advanced Electrical
- Modern physics

Scientific Publications

- Use laser to calculate the reflectivity of different materials.
 - Study the effect of Hall coefficient of different materials.
 - Synthesis and Study of Nanostructure Fe₂O₃ Film by Laser Assisted Spray Pyrolysis.
 - Synthesis of α -Fe₂O₃ Nanostructure Films Prepared by Laser Assisted Spray Pyrolysis
- Structural Characteristics of γ -Al₂O₃ Nanoparticles prepared by Laser-Assisted Spray Pyrolysis Technique .
