

Curriculum Vitae

Personal Data :

❖ Name : Widad Jumaa Hamid
❖ Date Of Birth : Baghdad 19-4-1960
❖ Gender : Female
❖ Scientific Title : Assist Prof.

Objective :

❖

Education :

BsD. Biology College of Science Salah-Eldeen University 1982

MsD. Proctology College of Science Baghdad 2002

PhD. Histology College of Science Baghdad University 2008

Scientific experts:

Lecturer in Biology College of Pharmacy /Al-Mustanseriyah University from 2006 until now

Lecturer in Histology College of Pharmacy /Al-Mustanseriyah University from 2006 until now

Personal skills:

Awarded certificates and thanks books:

1-The role of Toxicology and applications in forensic Medicine
The second symposium held by the department of Pharmacology and Toxicology / College of Pharmacy /Al-Mustanseriyah University 13/12 /2012

2-Brucella Disease in Iraq

The second symposium held by the department of Clinical Laboratory Sciences / College of Pharmacy /Al-Mustanseriyah University 18/2 /2013

3-Application of Total Parenteral Nutrition (TPN)in our Hospital ..
Is it an intergrating tool or a challenge

The first symposium held by the department of Clinical Pharmacy / College of Pharmacy /Al-Mustanseriyah University 20/ 12 /2012

4-Current Concepts in Advanced Drug Discovery
The second symposium held by the department of Pharmaceutical Chemistry / College of Pharmacy /Al-Mustanseriyah University 14/3 /2013

5-Certificate of Attendance from College of Pharmacy / Al-Mustanseriyah University
Has attended a seminar in GENERAL INTRODUCTION TO QUALITY MANAGEMENT SYSTEM AS STANDARD ISO 9001 : 2008 Conducted by BM TRADA-MIDDLE EAST Date : 8 March 2012
Venue : Baghdad ,Iraq

7- EIGHTH SCIENTIFIC CONFERENCE held by Al-Mustanseriya University / Medical College (Baghdad 2013)

8-Respiratory system disease

The first scientific symposium held by the department of Clinical Laboratory Sciences / College of Pharmacy / Al-Mustanseriya University /2012

9-3rd Scientific symposium of (H5N1 Virus) held by the department of Clinical Laboratory Sciences / College of Pharmacy / Al-Mustanseriya University 2015

Publications

1-Oxidative stress induced Histological changes in thyroid of Hyperthyroidism patients

International Journal of Engineering Innovation and Research™(IJEIR)
Vol.4 .NO.7(2013)

2-Uranyl Nitrate induced Histological changes in Kidney

International Journal of Engineering science and Innovative Technology(IJESIR)
Vol.12 .NO.4(2012)

3-The Correlation between Oxidative stress and Thyroid Hormones in Serum and Tissue Homogenized Of Hyperthyroidism Patients.

Medical Journal of Babylon –Vol.9-No.4-2012

4-Uranyl Nitrate Induced Histological Changes in Lung Tissue

The 4th International Conference on Multimedia Technology(ICMT 2015).Oct.29th.2014

5-Oxidative stress induced Histological changes in thyroid of Hypothyroidism patients

Al-Mustansiriya Journal of Pharmaceutical Sciences Vol.14 No. 1 2014

6- Uranyl Nitrate Induced Histological Changes of Digestive System . A Histological study.Book
Academic Publishing Germany No.12 (2012) .
