

Curriculum Vitae

Personal Data :

❖ Name : **Mohammed Kadum Abdul-Amir Al-Araji**
❖ Date Of Birth : **1/7/1952**
❖ Gender : male
❖ Scientific Title : Assistant Professor

Objective :

❖

Professional Memberships

- 1-Iraqi pharmaceutical society
- 2- Iraqi Medical Microbiology Society
- 3-Iraqi pharmaceutical committee

Association and Organization

Education :

Education	Detail of degree	Dates
High school	Al-Khademyea secondary school	1965-1967
University	College of pharmacy , Baghdad university	1967-1972
Post graduate	School of medicine, Glasgow university Scotland U.K	1977-1980

Professional Qualifications	Awards	College	University	Country
	B.Sc. in pharmaceutical science	Pharmacy 1972	Baghdad	Iraq
	Ph.D in Medical microbiology and immunology	School of Medicine 1980	Glasgow	Scotland U.K

Scientific experts:

1. Membership in Editorial of Al-Mustansiriyah Journal of Pharmaceutical Science
2. Membership Committee of Science Day At Ministry of Higher Education and Scientific Research
3. Membership for Valid Lecturing Methods Committee at College of Pharmacy
4. Membership committee for Controlling Final Examination At Ministry Of Higher Education
5. Membership Committee for Controlling Final Examination to Private Colleges of Pharmacy
6. Membership Scientific Committee at College of Pharmacy 2012
7. Membership Postgraduate committee at College of Pharmacy 2013
8. Manager for Consultation Center at College of Pharmacy 2013
9. Head Examination Committee at college of Pharmacy 2012/2013
10. Head Committee for Controlling and Guiding for New Laboratory Equipment at College of Pharmacy
11. Head Unit for Educational Supervision
12. Head Committee for Community Activities at College of Pharmacy 2015

Position	Details	Dates
Pharmacist in hospital	junior	1/11/1972-1975
Pharmacist in hospital	manager	1/3/1975-1977
Post graduate student in Glasgow University .U.K	student	1/4/1977-1978
Demonstrator in school of medicine and Dentistry, Glasgow university	Demonstrator	1/10/1978-30/5/1980
Head of department in medical microbiology in Baquba hospital	Head of department	1/11/1980-1983
Head of department of medical microbiology and serology in Al-Rashid hospital	Head of department	1/5/1983-1/10/1991
Head of of pathology department in Hammad-Shihab hospital	Head of department	1/10/1991-20/2/2003
Head of department of Medical microbiology and biotechnology in College of Pharmacy; Al-Mustansiriyah university	Head of department	1/8/2003-1/11/2011

Personal skills:

- ❖ Computer skills
- ❖ Good knowledge in English language

Historical reading and playing football as well as swimming

Awarded certificates and thanks books:

1. Five (5) from Minister of Higher Education and Scientific Research
2. Four (4) from Principal of University of Al-Mustansiriyah
3. Eight (8) from Dean College of Pharmacy
4. One (1) from Head of Iraqi Parliament 2008

Publications

Attachment of <i>Proteus mirabilis</i> to human urinary sediment epithelial cells in vitro	Al-Mustansiriyah pharmaceutical journal 2004 No.2
Recurrent urinary tract infection in men	Al-Mustansiriyah pharmaceutical journal 2004 No.1
<i>Yesinia enterocaltica</i> in adult with gasterointestinal disturbances need for cold environment	Al-Mustansiriyah pharmaceutical journal 2004 No.1
Significance changes in phagocytes in pregnant woman	Al-Mustansiriyah pharmaceutical journal 2010 No.8
New Technique uses to evaluate cerebrospinal fluid lactic acid as an aid differential diagnosis of bacterial and viral	Al-Mustansiriyah pharmaceutical journal 2011 No.9
Antibacterial activity of <i>Thymus vulgaris</i> and <i>Prunus amygdalus</i> extracts agaist bacterial wounds infections	Al-Mustansiriyah pharmaceutical journal 2011 No.10
2-Aminoacetophenone as a virulent factor in sever infections by Identification <i>Pseudomonas aeruginosa</i> in Iraq	Ibin-Haytham Scientific journal 2012 No.2
Clinical and Laboratory Characteristics of <i>Achromobacter xylosoxidans</i> Infection in Iraq	Babylon Medical journal 2012 No.2
<i>Chromobacter clocae</i> causes sever UTI infections in iraq	Babylon Medical Journal 2015 No.1
Attachment of <i>Proteus mirabilis</i> to human urinary sediment epithelial cells in vitro	Al-Mustansiriyah pharmaceutical journal 2004 No.2
Recurrent urinary tract infection in men	Al-Mustansiriyah pharmaceutical journal 2004 No.1
<i>Yesinia enterocaltica</i> in adult with gasterointestinal disturbances need for cold environment	Al-Mustansiriyah pharmaceutical journal 2004 No.1
Significance changes in phagocytes in pregnant woman	Al-Mustansiriyah pharmaceutical journal 2010 No.8
New Technique uses to evaluate cerebrospinal fluid lactic acid as an aid in differential diagnosis of bacterial and viral	Al-Mustansiriyah pharmaceutical journal 2011 No.9
Antibacterial activity of <i>Thymus vulgaris</i> and <i>Prunus amygdalus</i> extracts against bacterial wounds infections	Al-Mustansiriyah pharmaceutical journal 2011 No.10
Antibacterial Activity of Two Iraqi Plants from the Family <i>Pinaceae</i>	Al-Mustansiriyah pharmaceutical journal 2014 No.1
2-Aminoacetophenone as a virulent factor in severe infections by Identification <i>Pseudomonas aeruginosa</i> in Iraq	Ibin-Haytham Scientific journal 2012 No.2

Clinical and Laboratory Characteristics of
Achromobacter xylosoxidans Infection in Iraq

Babylon Medical Journal 2012 No.2

Chromobacter cloacae causes severe UTI
infections in Iraq

Al-Mustanseyea Medical journal 2012
No.2

Antifungal Activity of *Mellilotus officinalis* of
Iraq

Journal of Chemical and Pharmaceutical
Research 2014 6 (11)

<u>Books Edited</u> Name	Dates	Publication record number	Address
Chlamedial Infections for Both sexes	2010	Dar Alabad	Book and document registration department Ministry of cultural No.2119
Preventing Nosocomia Infections in Recent Century	2011	Dar Alabad	Book and document registration department Ministry of cultural No .485
Guide to Pharmaceutical Good Manufacturing Practice	2011	Dar Alabad	Book and document registration department Ministry of cultural No 605
Vaccines: a Tool Uses to Prevent and Treat Human Infection	2011	Dar Alabad	Book and document registration department Ministry of cultural No 606
Human Liptospirosis	2011	Dar Alabad	Book and document registration department Ministry of cultural No 783
Application Pharmaceutical Biotechnology in Gene Therapy	2012	Dar Alabad	Book and document registration department Ministry of cultural No 309
