

# CURRICULUM VITAE

**Dr. Sura Mouaid abbas**

07708412626, gmail: [sursbio@gmail.com](mailto:sursbio@gmail.com)

## EDUCATION

---

- |             |   |
|-------------|---|
| 2017- 2020  | Al-Nahrain University, Ph.D.<br>Medical collage<br>Microbiology department.     |
| 2013 - 2015 | Mustansiriyah University, Msc<br>Collage of science<br>Microbiology department. |
| 2009 - 2013 | Mustansiriyah University, B.A.<br>Collage of science                            |

## ACADEMIC EMPLOYMENT

---

- |                 |  |
|-----------------|--|
| 2020 to present | <b>Teaching in Al-nukhba university collage</b><br>(medical laboratory technique and dentist department) |
| 2016 to present | al-Nokhba laboratory group   |

## PUBLICATIONS

---

**Sura Mouaid abbas** Maysaa Abdul Razzaq Dhahi Baghdad Science Journal  
Evaluation of some Virulence Factors and Drug Resistance of Bacteria Isolated from  
the Urine of Patients with TCC-Bladder Cancer

Ali Hussein Alwan, **Sura Mouaid Abbas**

The effects of U.V light on mrkA, mrkD genes in local isolates of Klebsiella pneumoniae

Ali Hussein Alwan, **Sura Mouaid Abbas**

Study The Relationship Between The Ability of Biofilms Formation and Antibiotic Sensitivity for Klebsiella pneumonia Isolated From Different Clinical Sources.

**Neihaya H. Zaki\*, Ali H. Alwan and Sura M. Abbas**

New Natural Medium Using Vitis vinifera for Siderophore Production from Clinical Isolates of Klebsiella pneumonia

Ali Hussein Alwan, **Sura Mouaid Abbas**

THE DETECTION OF U.V LIGHT USE EFFECT ON BIOFILM FORMATION OF KLEBSIELLA PNEUMONIAE AND ITS ROLE ON PHAGOCYTOSIS ACTIVITY

**TEACHING INTERESTS** \_\_\_\_\_

**Lectures:** Introduction to Microbiology (Bacteriology, virology, parasitology and mycology), Molecular biology Immunology, Histology, and human physiology.
