Baghdad, Iraq

Despair, frustration, mockery and poverty were all with me, but I deleted them by success.

EDUCATION

PhD CLINICAL BIOCHEMISTRY

University of SFAX

10/2021 - Present

sfax .Tunis

Master of Biochemistry

Mysore University

08/2017 - 06/2019

Mysore . India

Bachelor of general chemistry

College of Science/AL-Mustansiriyah University

10/2011 - 10/2015

BAGHDAD / IRAQ

PROJECTS

Thyroid Hormone level Before and After in Patients with COVID-19 (2021 - 2021)

Comparative assessment of pharmacological potential of bioactive isolated from Tribulus terrestris: In vitro evidences (2020 - 2021)

(Biochemical changes in the pleural liquid during platinum based chemotherapy among ovarian cancer patients (05/2019)

WORK EXPERIENCE

Assistant lecturer

Al-Esraa University College Medical lab technique Department

12/2020 - 12/2021

Achievements/Tasks

- Theoretical \ Biochemistry 2nd stage
- practical \ Biochemistry 2nd stage
- practical \ Advance clinical Biochemistry 4th stage

Contact : <https://www.esraa.edu.iq/>

Chemistry lab technician

private laboratory /Dr .Abbas lab

08/2019 - Present

BAGHDAD/IRAQ & Mysore /India

Contact : dr .abbas abd almueed - dr_abbaslab@yahoo.com

Chemical production quality technician

branch of Pepsi co /Baghdad soft drinks co

01/2016 - 06/2017

BAGHDAD / IRAQ

Contact : bsdc @pepsibagdad.com

SKILLS

management

teamwork

communication

problem solving

work ethic

flexibility

CERTIFICATES

Genomic instability and cancer. (10/2017)

One day international meeting on (Genomic instability and cancer) held on 26th Oct 2017

new trends in biotechnological approach for life sustenance . (11/2017)

two days for (new trends in biotechnological approach for life sustenance) on 22nd and 23rd Nov 2017

scientific discovery and its application (03/2018)

Intercollegiate scientific poster competition on ((scientific discovery and its application)) on 22nd march 2018

in ^second wellness and health conference- WHC18 (03/2018)

in ^second wellness and health conference-WHC18: one day national conference on therapeutic strategies for degenerative disorders, a discovery to application perspective "on 24th march 2018

resource management and sustainable development (02/2019)

in three-day multidisciplinary world summit on "resource management and sustainable development" jointly organized by the University of Mysore on 22nd - 24th February 2019.

the national science &technology fair 2019 (08/2019)
