
ALI ABDULHUSSEIN

aaabdulhussein@mix.wvu.edu

Summary

I reached my Bs.c in science/mathematics in 2006 , i ranked number one on my class. I got TA position at the same department from 2006 to 2008. In 2008 , i got scholarship to acheive my Ms.c in mathematics in 2011.In 2014 , i got another scholarship from the government to reach the Ph.d degree in mathematics. now lam grad student at WVU.

Skills

- SEARCHING
- TYPING
- MATHLAB AND R PROGRAMMING

Education and Training

Master of Science: science/mathematics
colloge of science /almustansiriya university

2011
Baghdad, Iraq

Thesis/Dissertation

My Ms.c thesis topic is " Rational solutions of Some Nonlinear PDEs"
two types of the most significant rational solutions for famous classes of nonlinear PDEs were dicussed with modifications.

Experience

Teaching Assistant
Almustansiriya University
Assistance Lecturrer
Almustansiriya University

08/2006 to 11/2008
Baghdad
05/2011 to 05/2014
Baghdad

Fellowships and Awards

I got awarded from the minster of the higher education and scientific research in 2006. Moreover , i got awarded from the presdient of Almustansiriya University in 2006.

Publications

I have published the follwing article" rational solution for nonlinear PDEs" in 2007.

Activities and Honors

Department of mathematics / college of science/almustansiriya university.
