PERSONAL SUMMARY:

- Birth day: 19/9/1968
- The scientific title: Lecturer

Experience

- 1- Experience in microcontroller and microprocessor
- 2- Experience in antenna design
- 3- Experience in CST package
- 4- Experience in optical communication
- 5- Experience in computer application program

The scientific title

Title	Date	Number
Lecturer	25/4/2017	14/3/5070
Assistance Lecturer	12/12/2005	367

EDUCATION:

- Ph.D. Communication Engineering/ University of Technology /2017
- M.Sc. Electronic/ Communication Engineering/ AL-Mustansiryah University /2000
- B.Sc. Electronic Engineering/ AL- Rasheed College

ACADEMIC HONORS AND AWARDS:

No.	Type	Donor	number	date	Notes
1	Thanks and appreciation	the head of a college	2967/3/14	2006/7/19	Mustansiryah University /College of Engineering
2	Thanks and appreciation	the head of a college	543/3/14	2011/2/9	Mustansiryah University /College of Engineering
3	Thanks and appreciation	the head of a college	1116/3/14	2011/3/20	Mustansiryah University /College of Engineering
4	Thanks and appreciation	Minister	772	2011/5/19	Ministry of Higher Education
5	Thanks and appreciation	chairman of the university	27701	2011/10/30	Mustansiryah University
6	Thanks and appreciation	chairman of the university	20838	2012/7/5	Mustansiryah University /

13	Thanks and appreciation	chairman of the university	52527/37	2016/11/9	Mustansiriyah University
14	Thanks and appreciation	the head of a college	1157/3/14	2017/2/15	Mustansiriyah University /College of Engineering
15	Thanks and appreciation	the head of a college	3233/1	2017/5/9	Mustansiriyah University /College of Engineering
16	Thanks and appreciation	the head of a college	5473/3/14	2017/8/7	Mustansiriyah University /College of Engineering

ACADEMIC / TEACHING EXPERIENCE

- Lecturer in Diyala University / Engineering College (2004-2005)
- Lecturer in AL – Mustansiriyah University/ Engineering college/ Electrical Engineering department (2005- now)

courses Taught:

Under graduate	Graduate
1- Digital and analog Electronics 2- Lab. of measurement 3- Lab. of Microprocessor 4- Microprocessor 5- Logic circuit Lab. 6- Antennas and Propagation	

PROFESSIONAL AFFILIATIONS:

- Chairman, Diversity Committee
- President,

PUBLICATIONS:

 2018/4/11

1- Design and performance investigation of tunable UWB THz antenna based on graphene fractal artificial magnetic conductor.

International Journal of Electronics and Communication Engineering & Technology (IJECE) Volume 6, Issue 9, Sep 2015, pp. 39-47, Article ID: IJECE_06_09_005

2- UWB Single Port Log Periodic Toothed Terahertz Antenna Design Based on Graphene Artificial Magnetic Conductor.
Modern Applied Science; Vol. 11, No. 3; 2017

3- 0.1-10 THz single port log periodic antenna design based on Hilbert graphene artificial magnetic conductor.
ARNP Journal of Engineering and Applied Sciences VOL. 12, NO. 4, FEBRUARY 2017

4- Diurnal Variability of Underwater Acoustic Noise Characteristics in Shallow Water.
TELKOMNIKA, Vol.15, No.1, March 2017, pp. 314~321

PROFESSIONAL DEVELOPMENT:

- Certifications.
- Conferences.
- Workshops.
