**AL-Mustansaryah University College /
Biology Department**

from 2002–Present

Lectures achieves

#1:

- ❖ □ Teaching experience in the various materials of biological science in the department of biology, such as immunology, genetics and parasitology, microbiology and heredity microbiology, invertebrates and others.
- ❖ □ The practice of scientific research process for the purposes of research and development.
- ❖ □ Work and collaborate with a variety of people,

POX 46079

including administrators, scientists, and students.

- ❖ Supervised and mentored undergraduate and postgraduate students per semester.
- #2:
 - ❖ Member of plagiarism committee.
 - ❖ Member of the examination committee.
 - ❖ Member of inventory and stocking committee.
 - ❖ Member of a scientific committee.
- #3:
 - Post graduate students advance immunolog.

PUBLICATIONS

- ❖ 1-Salem,S.S.,Mahmood ,A.Muhamed ,S.T.,Study the effect of temperature degree and pH value on vinegar eel *Turbatrix*

- aceti* and growth it up in new cultural media. J of The College of Basic Education.Vol.16 (66).147-157. (2010).
- ❖ 2-Jasem,M.A., Al-ubadi, A.E., Admon,A.,Zwaer ,K.N.,Prevalence of (LADA) among clinically diagnosed type2 diagnosed Type 2 diabetic patients . Med J of Islamic World Academy of sciences 18:2,49-54,(2010).
 - ❖ 3-Salih, A.M. , Al-ubadi,A.E.,Norahababsa, B.n. Tualba, B.n. *Helicobacter pylori* IgG as a risk factor for Myocardial infection in Jordanian patients. The 12th Scientific Conference of Technical Education(2011).
