

**CV**

**Assistant professor Dr.**

**Saba Hai Bneed**

**science college al-mustansaryah University –biology department**

*Email: dr.Sabahadi@yahoo.com*

**:SUMMARY**

Teaching in biology department I completed my (B.Sc) degree 2001, M.Sc 2005 in science college al-mustansaryah University, (phd) varonezh University 2012 (Russia ).

**ACADIMIC CERTIFICATES :**

- biochemistry \ enzymes (phd )
- Phytochemistry
- Botany (M.Sc)
- Microbiology(B.Sc)

**Awards and academic honors**

Not

**:Academic and teaching experience**

**13 yer**

**:Courses taught**

Undergraduate	Postgraduate
Secondary metabolism Plant breeding Plant ecology	Scientific Research Medical plant

**:Professional affiliation**

- .Identity committee
- 

**Scientific publication**

- 1- Trends of Incidence and Mortality with Pathological Description of Colorectal Cancer – 2015
- -2- The protective effect of alcohol and water extracts of the wormwood plant Artemisia Malate dehydrogenase enzyme activity in rat liver cells after induced alloxan diabetes 2015

- 3- Differentiation isocitrate isoenzymes using DEAE- cellulose 2014
  - 4- Identification numbers to specific genes Isocitrate lyase from plant *Amaranthus* 2015
  - 5- Evalferent Effects of different concentrations of *azadirachtaindica*(NEEM) Seeds oil as a botanical pesticide to eliminate the parasite of *hyalommaspp* in cows 2016.
  - 6- Phytocomponents Analysis and Biological Activity For The Ethanolic Extract of *punica granatum rind* 2017.
-
