## **OTHER EXPERIENCE**

### **Lecturer in Arabic:**

From 2013 until 2016 was giving a 24 hours course in “physiological psychology” in (Baghdad Academy for Human Sciences) Directed by the Dominican Order in Iraq.

### **IT Skills**

I am an experienced computer user. I have routinely used power point in case presentation and journal club, in this context, I have used multimedia & art as a companion to the case presentation adding a humane dimension to the psychiatric material. In the medical college I work since 2013 in the “electronic correction of exams” using the software MARK from Microsoft.

### **Literature and Art Criticism**

Writing articles in Arabic about the psychiatric issues in literature and art published in an Iraqi newspaper (Al-Aalem), and in an Arabic-Iraqi website of literary criticism: <http://www.alnaked-aliraqi.net/>
