

السيرة الذاتية

اخلاص وطن غنداوي

الجامعة المستنصرية - كلية التربية اقسام علوم الحاسبات

Mobile:

Email

ikhlas_watan@uomostansiryah.edu.iq

ملخص تعريفى: اخلاص وطن غنداوي تدريسية في قسم علوم الحاسبات كلية التربية خبرة 20 سنة في التدريس خريجة دكتوراه علوم حاسبات الجامعة التكنولوجية

الشهادات الدراسية:

- #1: Ph.D. الجامعة التكنولوجية قسم علوم الحاسبات للعام 2017
- #2: M.Sc. الجامعة المستنصرية كلية العلوم للعام 2005
- #3: B.Sc. الجامعة المستنصرية كلية التربية قسم علوم الحاسبات للعام 1998

الجوائز والتكريم الأكاديمي

- #1:
- #2:

لخبرة الأكاديمية والتدريس:

- #1: خبرة 20 سنة في التدريس الجامعي
- #2:

مقررات الدراسية التي تم تدريسها:

الدراسات الأولية	الدراسات العليا
تحليل نظم وقواعد بيانات	
نظم تشغيل	
امنية بيانات	
برمجة نوافذ	
معمارية حاسوب	

تتساب المهني او الجمعيات:

- لجان
- رئيس ... الخ

شهورات العلمية

- A Survey : Medical Augmented Reality -
- Fast and Accurate Registration Method for MRI Images - * A Proposed Registration Method Using Tracking Interest Features for Augmented Reality
- Enhancement The Augmented Reality Framework Using Proposed Registration Method - *
- An Accurate Diabetes Prediction System Based on K-means Clustering and Proposed Classification Approach
- The Weighted Feature Selection Method
- Training Neural Networks Using Adaptive Simulated Annealing - Hand Written Digits Recognition Using Digital Learning Networks - *
- Comparison between two methods for solving advance layout problem -
- Classification With The Advanced RAM Neural Network - • advanced face detection using neural networks -
- New proposal and policy for ICT applications in departments and colleges for educational purposes
- Improved Feature Extraction Using - Weightless Neural Networks(IWNC

• كتب مؤلفة

System analysis and database systems

• مقالات

• فصول

• تطوير المهارات:

• Workshops. Conferences. Certifications.

Curriculum Vitae

Ekhlas Wattan Ghindawi

Mustansiriyah University – College of -----

Mobile: +9647804829466

Email:

PERSONAL SUMMARY:

- Teaching in the Department of Computer Science, College of Education, 20 years of teaching experience, PhD graduate, Computer Science University of Technology

EDUCATION:

- Ph.D. #1: University of Technology 2017
- M.Sc. #2: Al Mustansiriyah University \collage of science 2005
- B.Sc. #3: Al mustansiriyah University \collage of education 1998

ACADEMIC HONORS AND AWARDS:

- #1:
- #2:

ACADEMIC /TEACHING EXPERIENCE:

- #1: 20 years of university teaching experience
- #2:

COURSES TAUGHT:

Undergraduate

Graduate

System analysis and database system	
Security	
Computer architecture	
Operating system	
Windows programming	

PROFESSIONAL AFFILIATIONS:

- Chairman, Diversity Committee
- President,

PUBLICATIONS:

- Papers.
- A Survey : Medical Augmented Reality -
- Fast and Accurate Registration Method for MRI Images -* A Proposed Registration Method Using Tracking Interest Features for Augmented Reality
- Enhancement The Augmented Reality Framework Using Proposed Registration Method -*
- An Accurate Diabetes Prediction System Based on K-means Clustering and Proposed Classification Approach
- The Weighted Feature Selection Method -
- Training Neural Networks Using Adaptive Simulated Annealing - Hand Written Digits Recognition Using Digital Learning Networks -*
- Comparison between two methods for solving advance layout problem -
- Classification With The Advanced RAM Neural Network - • advanced face detection using neural networks -
- New proposal and policy for ICT applications in departments and collages for educational purposes Improved Feature Extraction Using - Weightless Neural Networks(IWNC)

WORK: SYSTEM ANALYSIS AND DATA BASE SYSTEMS

PROFESSIONAL DEVELOPMENT

Certifications
