- 4 the language contain it With what correct reading origins students education and compositions And camel vocabulary from Arabic.
- 5 Miscellaneous Linguistic uses Arabic Grammar in application enable students to .
- 6 Sources in up wake And to search modalities use skills students education Arabic the language in and lexicons and references.
- 7 Arabic the language and teach to learn in modern techniques use skills students gain .
- 8- Enabling students to learn dialogue, discussion and listening skills others and accept their opinions.
- 9 Okay from critic And think Scientific thinking skills acquisition from students Enable Arabic the language science in employ it.
- 10 training_ and exam tests and building Preparation skills acquisition on students corrected knock.
- 11 with all to teach planning skills acquisition on and train them students Tamkeen its levels.
- 12 Scientific search tools use on Ability owning from students Tamkeen.
- 13 the activities and invention design Capabilities owning from students Tamkeen in it and engage them learning on students Take heart that effective educational. schools primary Enabling students to acquire teaching skills in intermediate and -14. and information gain No self learning skills acquisition from students Tamkeen new And acquaintances skills.

and learning education modalities

-the love develop Actions conducting teaching And do Lectures throw language.

Evaluation modalities

pride develop activities conducting teaching And do Lectures throw
language in

C- and value Sentimental _ goals

- 1 Students when _ generous The Quran language the language love Strengthen .
- 2 and literary Poetic texts take up on during viewing X from aesthetic taste 'Students development .

- 3 Students when reading in the desire development .
- 4 reading etiquette considerate with correct literacy habits students acquisition .
- 5 And his thoughts his style With And his criticism read m is not The tasting on Ability .
- 6 a human Except dignity am tr Ah on students education .
- 7 and work the study during responsibility Palm mind sensitive students when Feeling development .
- 8 Others when innovation only And t j and fatigue _ JR disintegration freedom _ aht ram on students training . _
- 9 Scientific __ information and offer Transfer in and objective faithfully the job from students Enable .
- 10 – him no no And home belonging students when Feeling development .
- 11 its forms With all corruption a mistress And integrity culture on students breeding.
- 12 for the profession Supreme qayat no ‘ And otherwise _ principles respect on students when Feeling boosters.
- 13 and And their religion their culture on look hate their profession from beneficiaries rights respect on students training
And their race their gender.
- 14 Mac Alj and work students when cooperation spirit reinforcements. _

~~and learning education modalities~~

to compose communication in boss a tool the language that the society ham ugh Lectures throw
understanding Community

~~Evaluation modalities~~

communication tool a as Arabic from The audience position find out l poll Procedure

D - General and qualifying skills topics (other skills related to employability and development
:)

D-1 Plus Plus The Arabic language is the means of communication between human beings, as through it he
achieves his goal and desire.

D-2 The Arabic language jacket is a football player, including the individual to enjoy studying and reading.

D-3 Using it in persuasion.

D-4 The Arabic language is a tool for advice and guidance
