And But So Because However
----------------------------

#### Two Sisters

My sister and I are very different, (1) but we get on well together. She likes staying at home in the evening (2) and watching television with our parents, (3) but I prefer going out with my friends. We like to go to the cinema, or sometimes we just go to a café. I have exams soon, (4) so I'm not going out very much at the moment. My sister is six years older than me, (5) and she works in a bank. She's trying to save some money (6) because she's going to get married this year. Her fiancé's name is Ferdinand, (7) but we all call him Freddy. People say I look like my sister (8) because we both have brown eyes (9) and dark hair. (10) however, we are very different in character. She's very quiet, (11) but/ and I'm a lot more sociable.
