exports enjoy immigrants huge

This country has quite a small population, just 16 million, but the country is huge. The people are mainly of European descent, but there are also aborigines and a lot of south-east Asian immigrants. People live in towns on the coast, not so much inland, because it is so hot. They live a lot of their lives outdoors, and enjoy sports, swimming, and having barbecues. This country exports wine and wool – it has more than 60 million sheep!
