14.5. Conversation: Emergency

This is the Emergency. Yes please!

Hello! Emergency! My son has a bad stomachache. I think, he's taken some poisonous drug. Please hurry up! He is in pain. The address is ……..

ER

I've seen your X-rays. Don't be afraid! Your ankle isn't broken. It's just badly sprained. Your knee is twisted. Your shoulder is dislocated. Your arm is cracked and need to put it into plaster. You also need to put a neck brace for a while!

Fractures

Department

His breath is so weak! He is having a heart failure!

Keep on the resuscitation.

Hi Young Man! What's up? Do you feel good?

Not too good. I've got a bad headache, cough and sore throat. I feel hot; my temperature is high. Mom and Dad have got the flu; I might have got the flu too. Perhaps it's a SWINE FLU!!!!

Smiling is good for you! It has been scientifically proved. Laughing is even better. Do you **smile** or **laugh** at least ten minutes a day? If, not come to our Health Club and follow our special fitness and health program.
