

Endocrine system

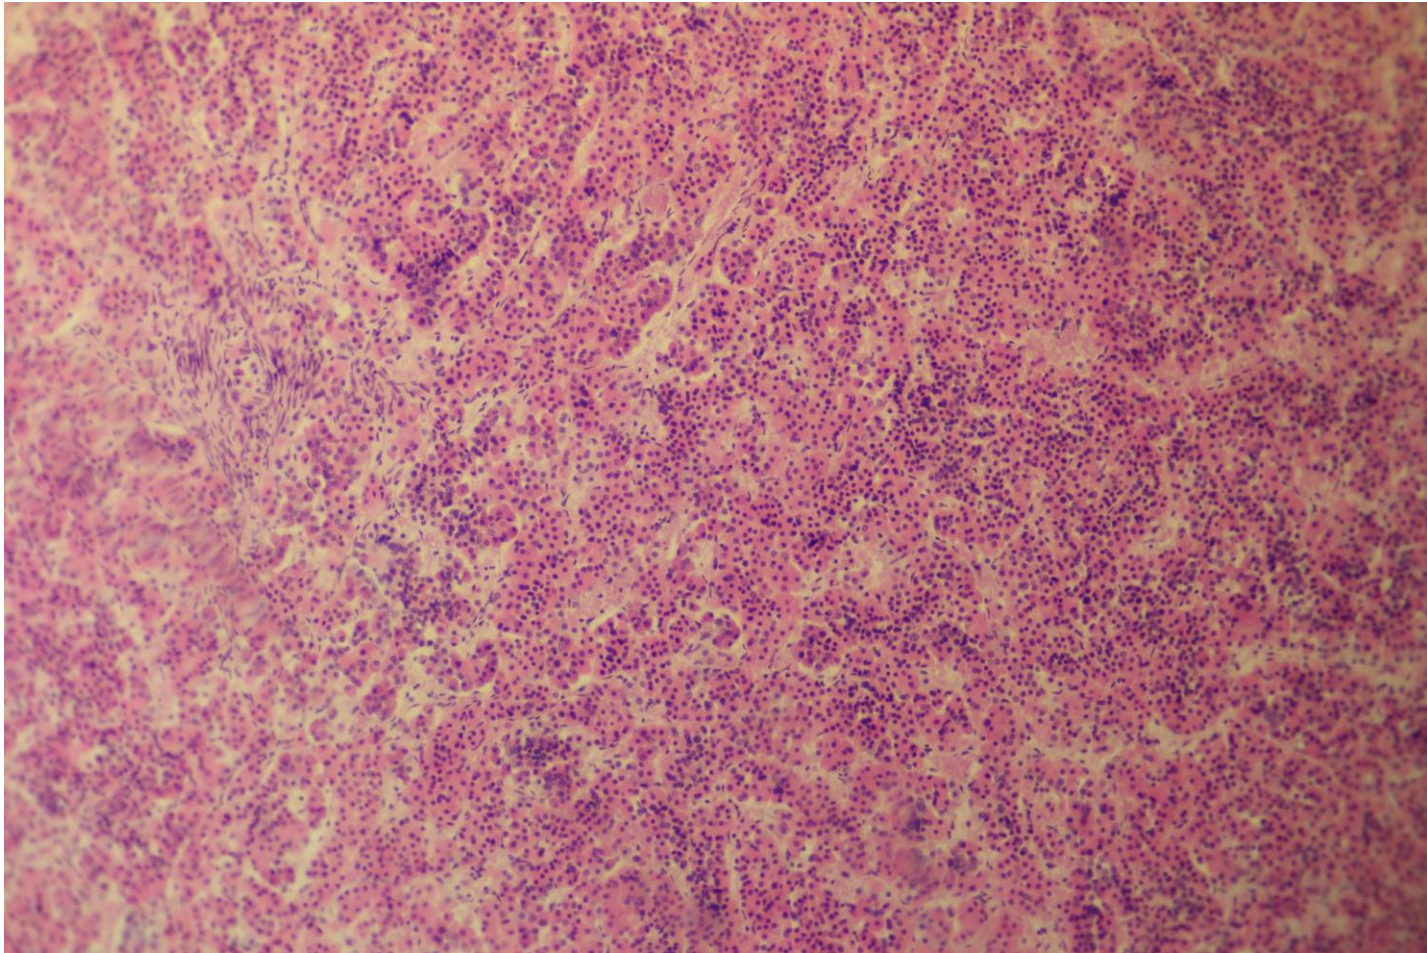

Pituitary gland

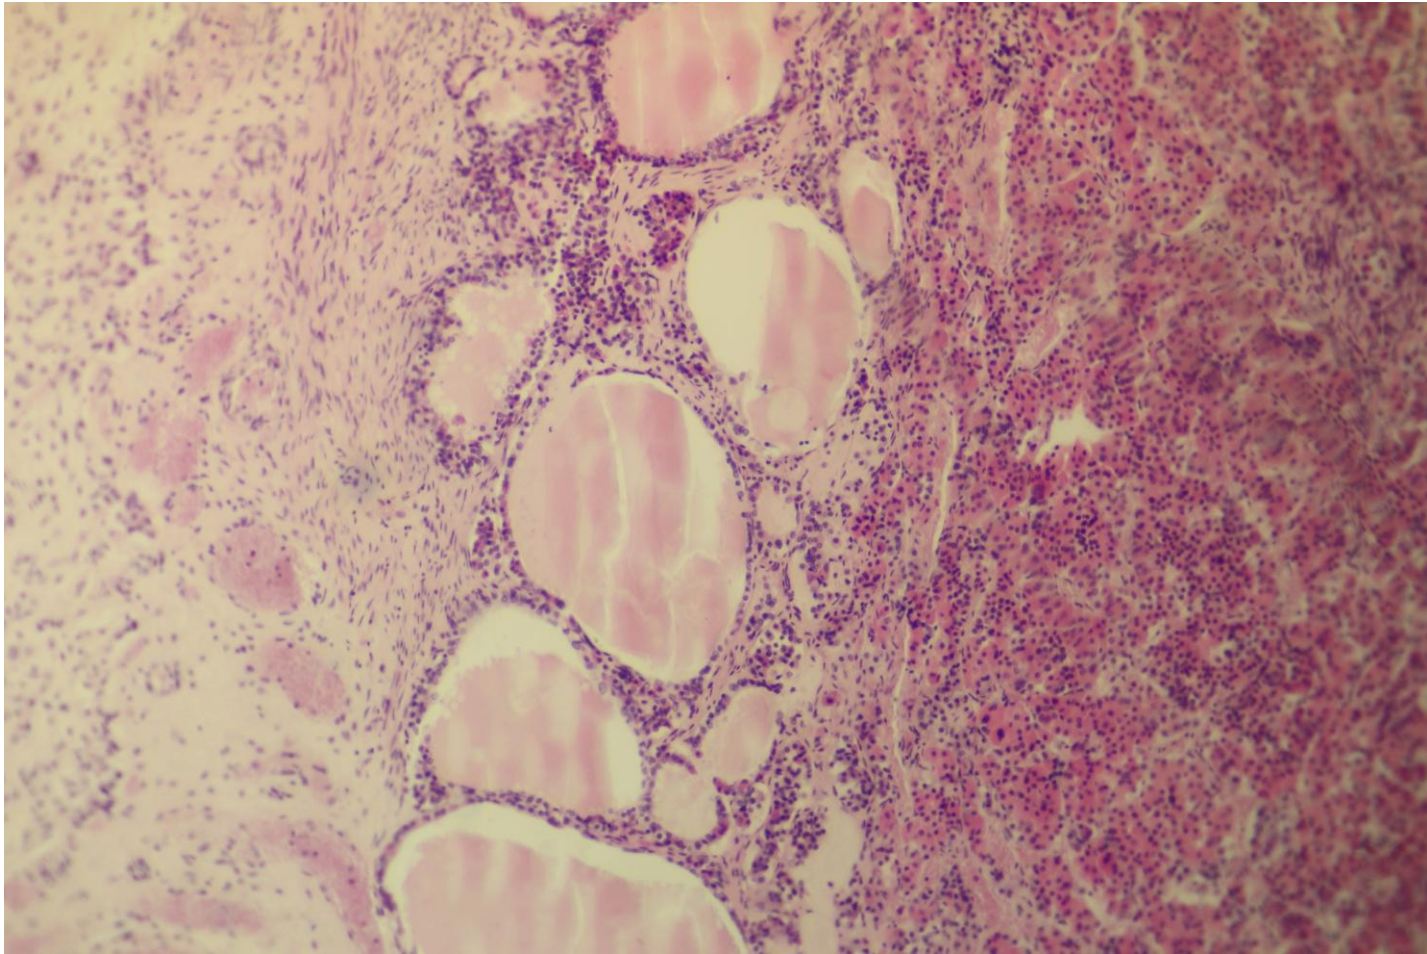

Anterior lobe

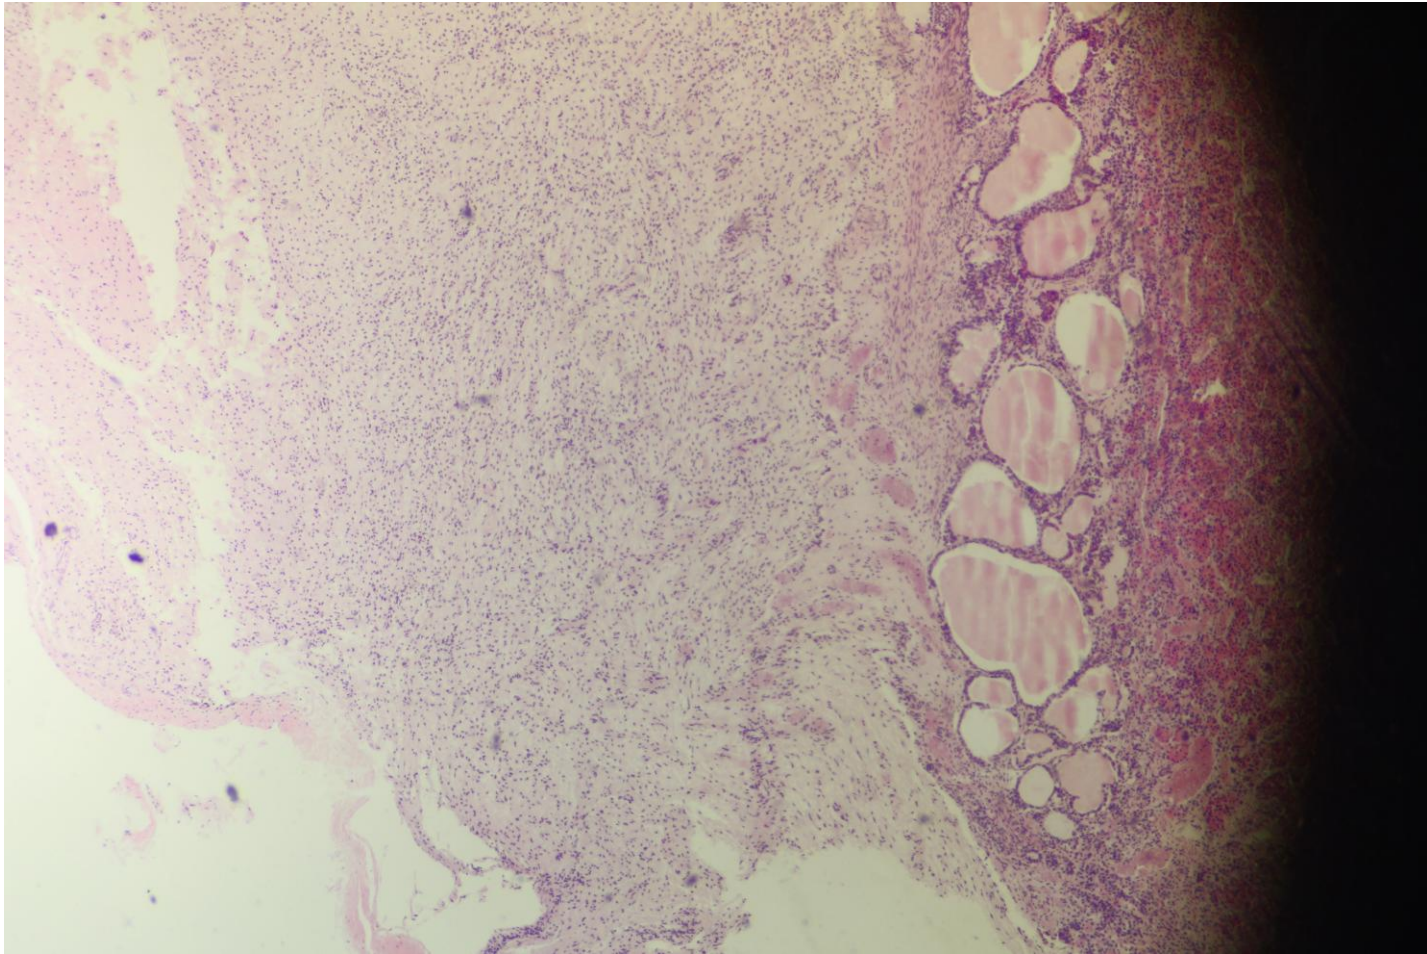

Acidophils and basophils

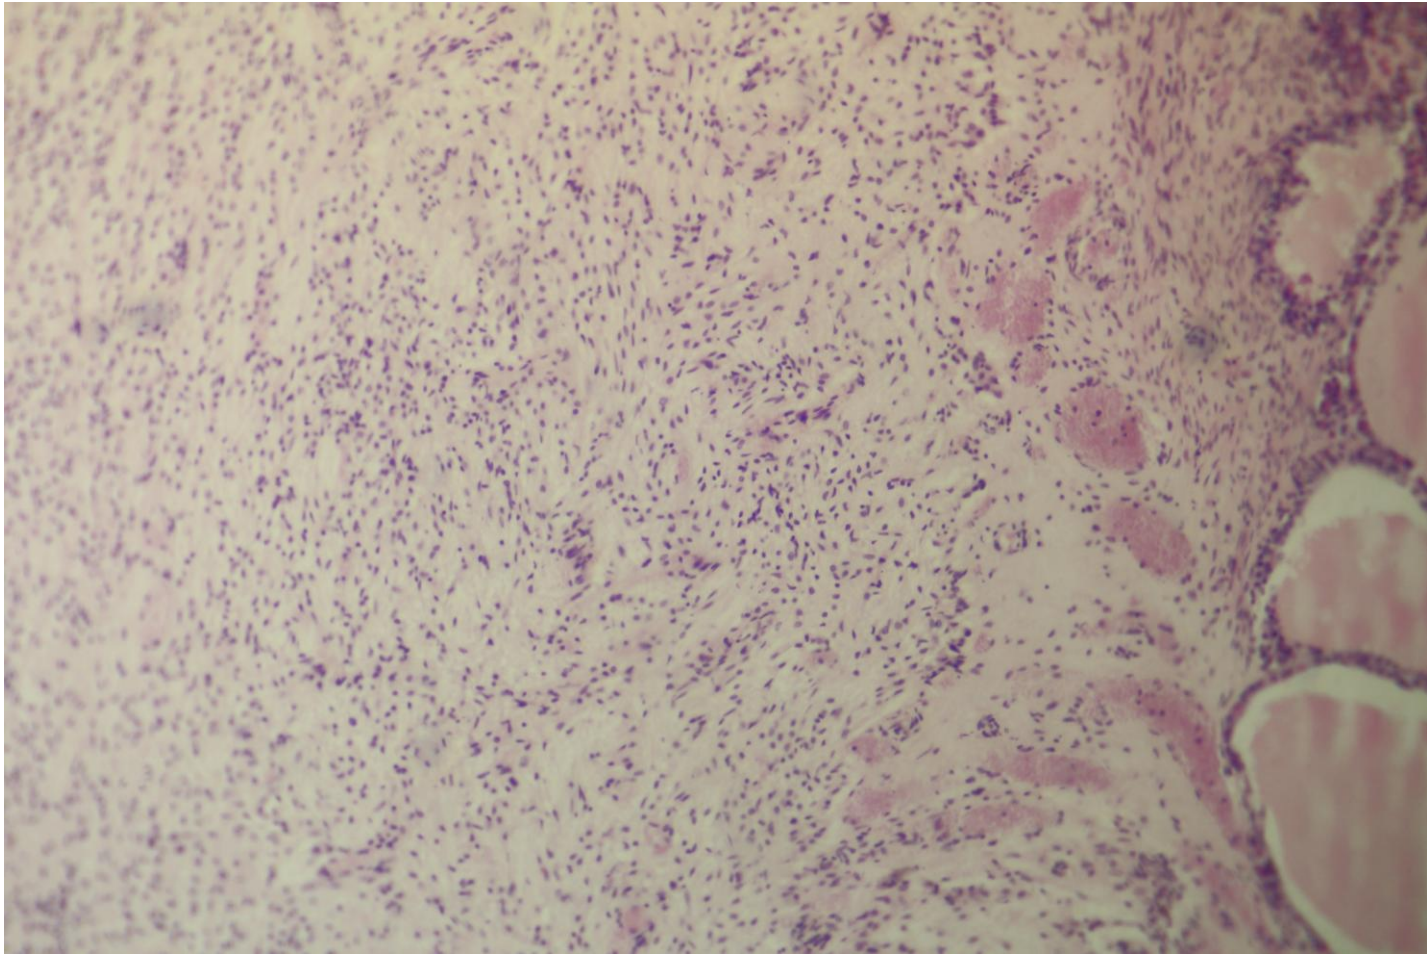

Intermediate lobe showing the follicles

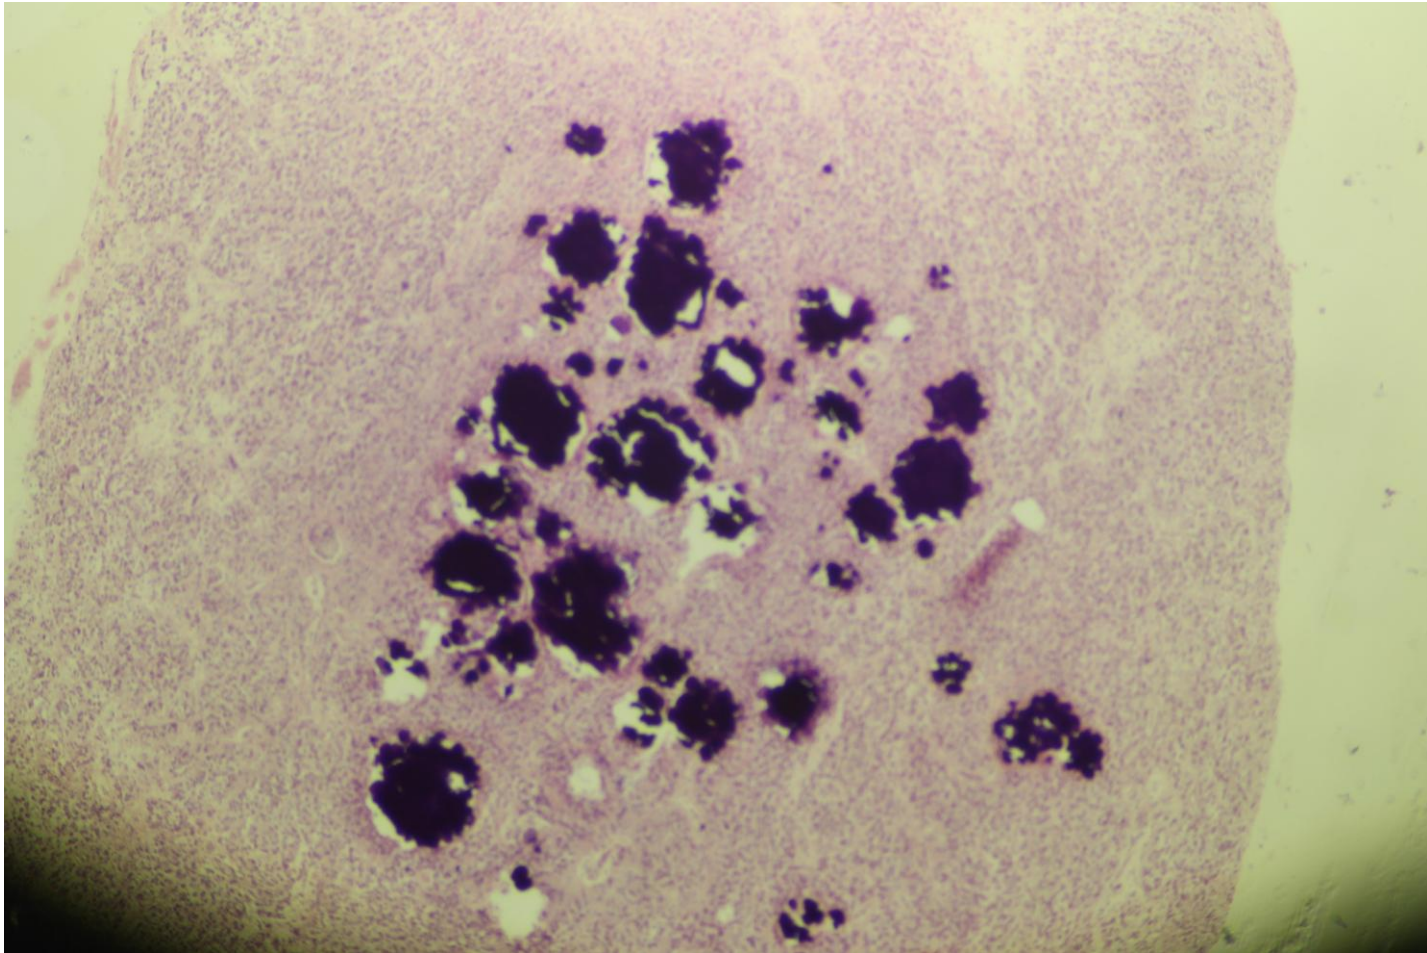

Posterior lobe

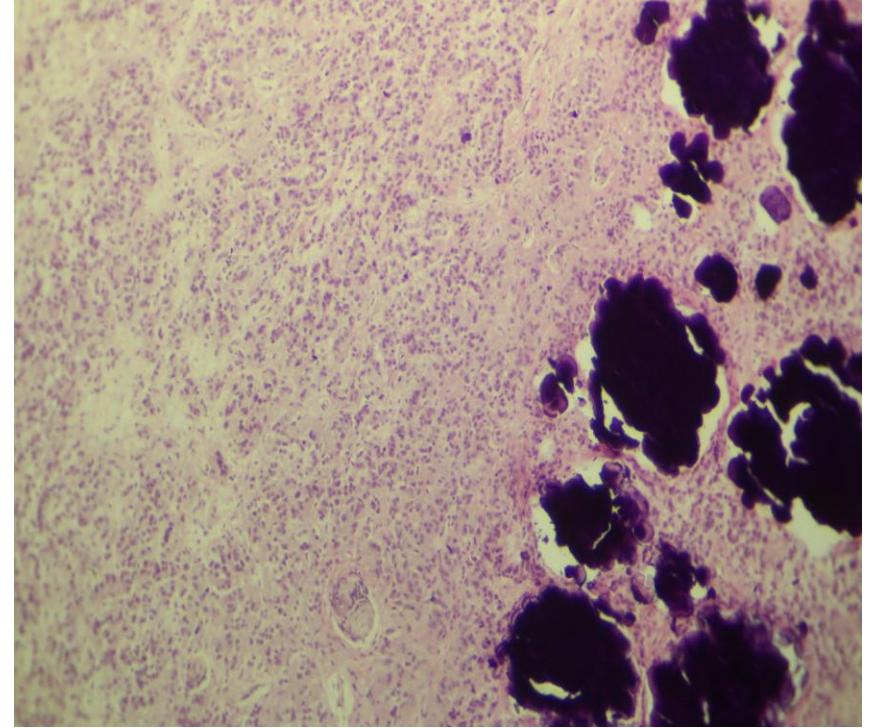

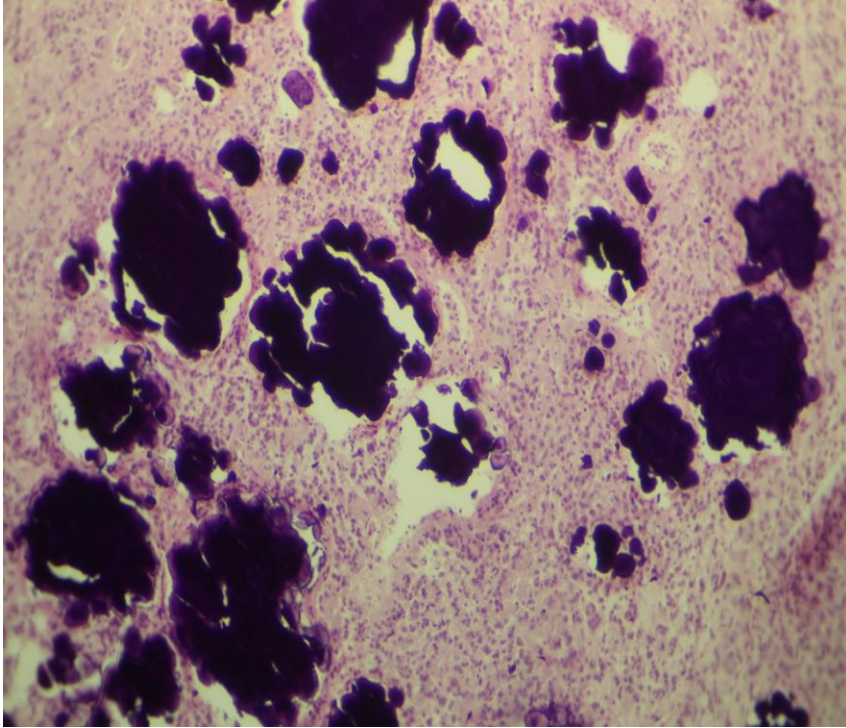

Posterior lobe

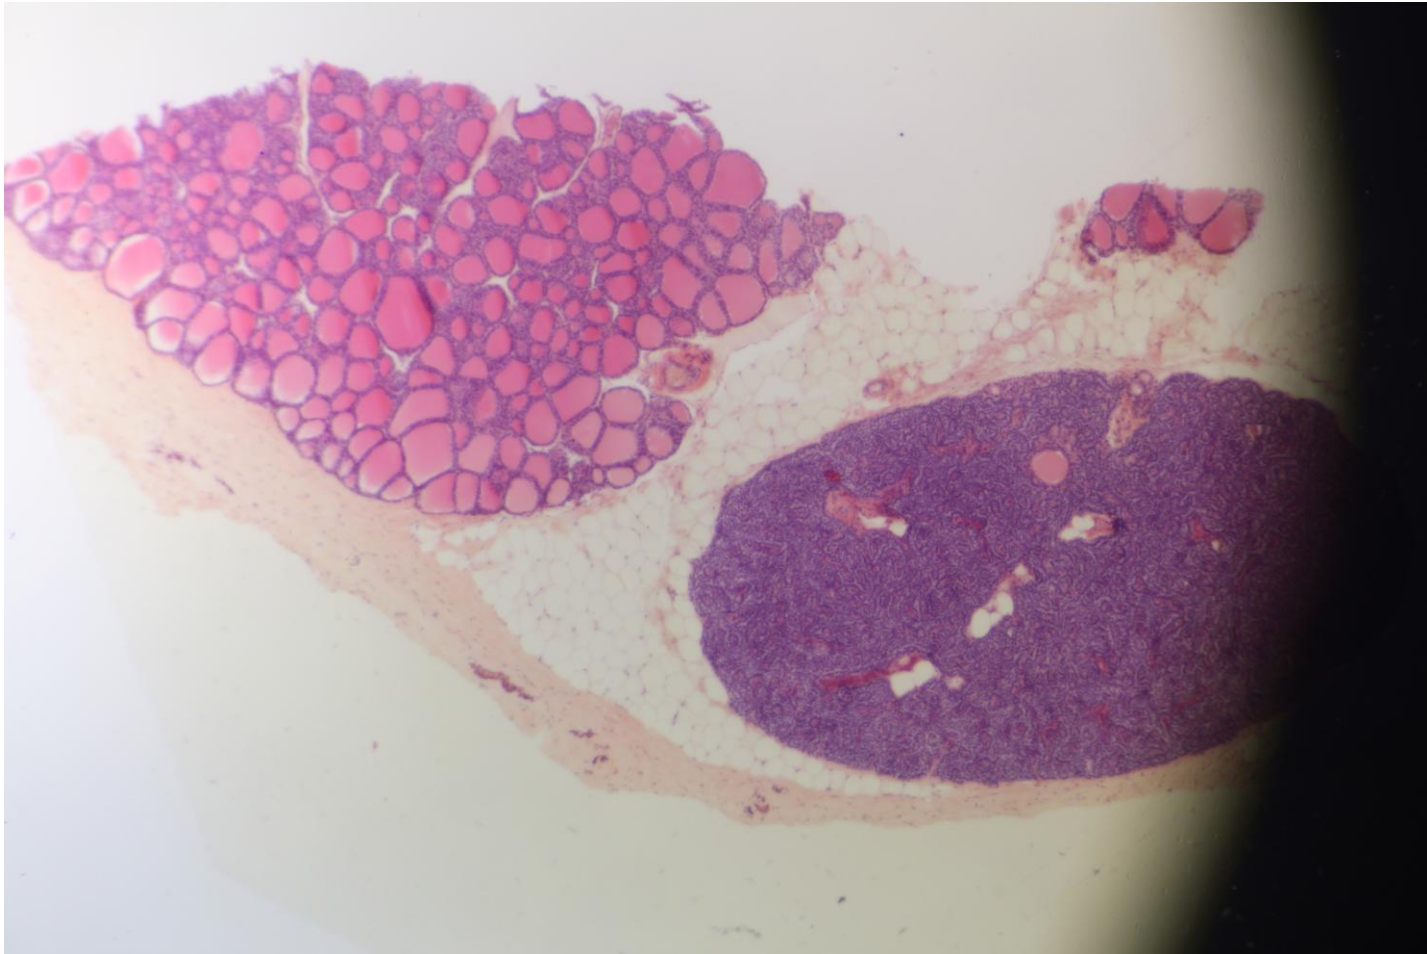

Pineal gland

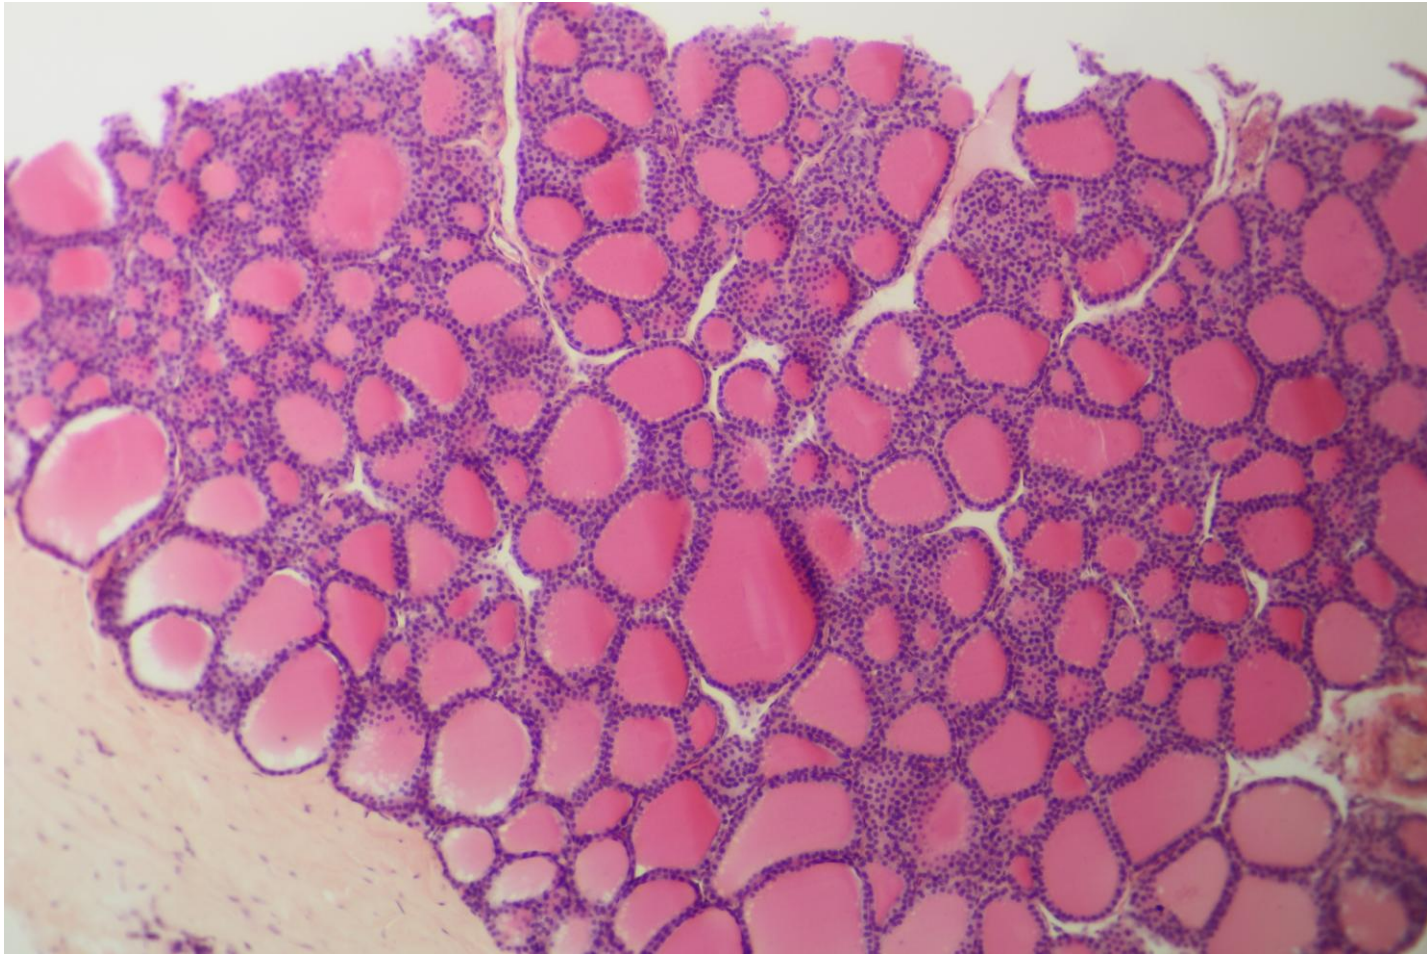

Pineal gland & brain sands

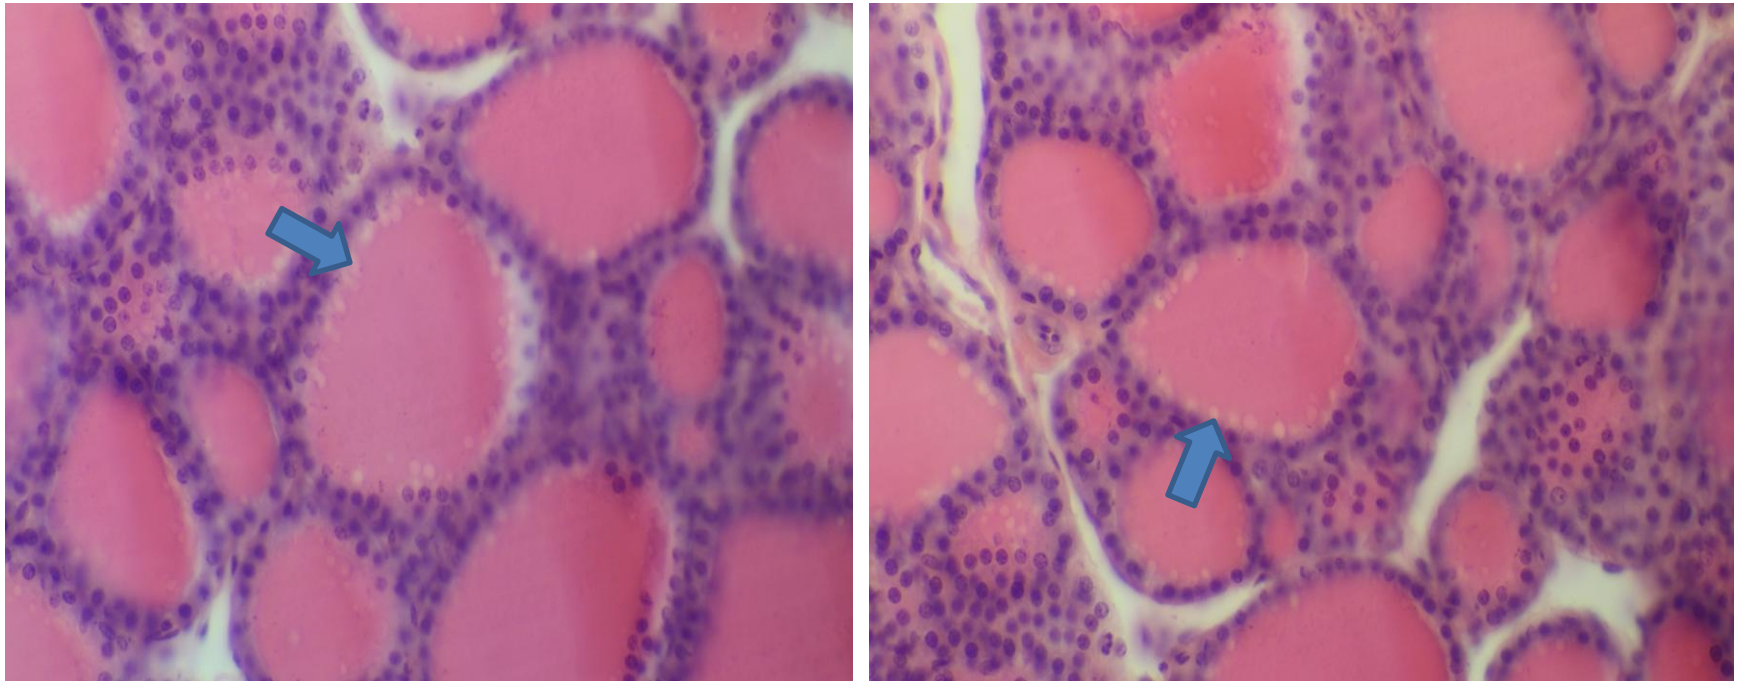

Thyroid and parathyroid glands

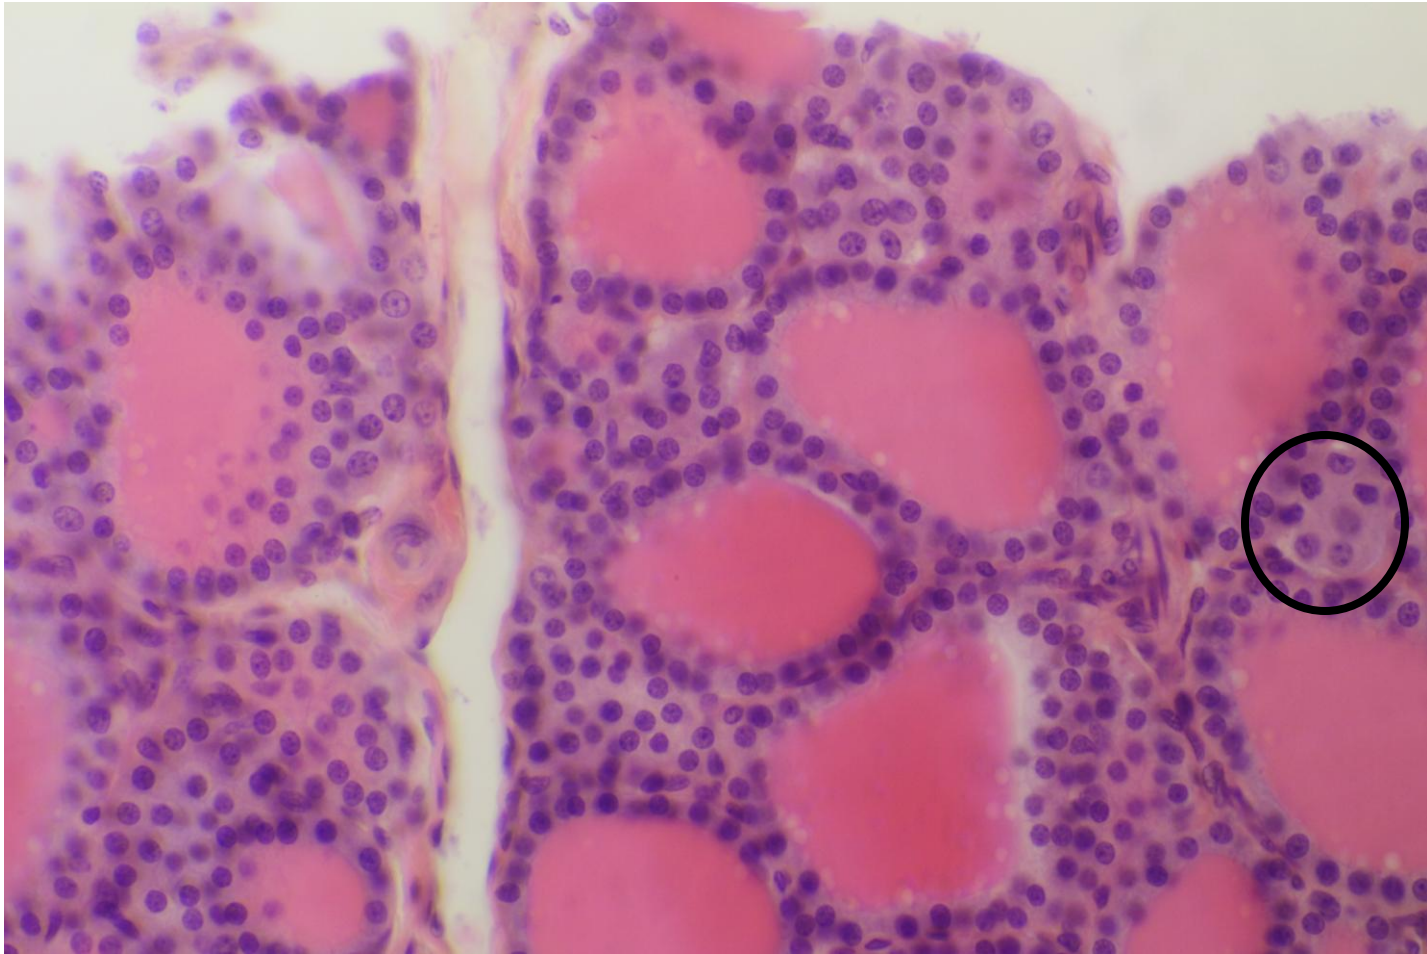

Thyroid gland

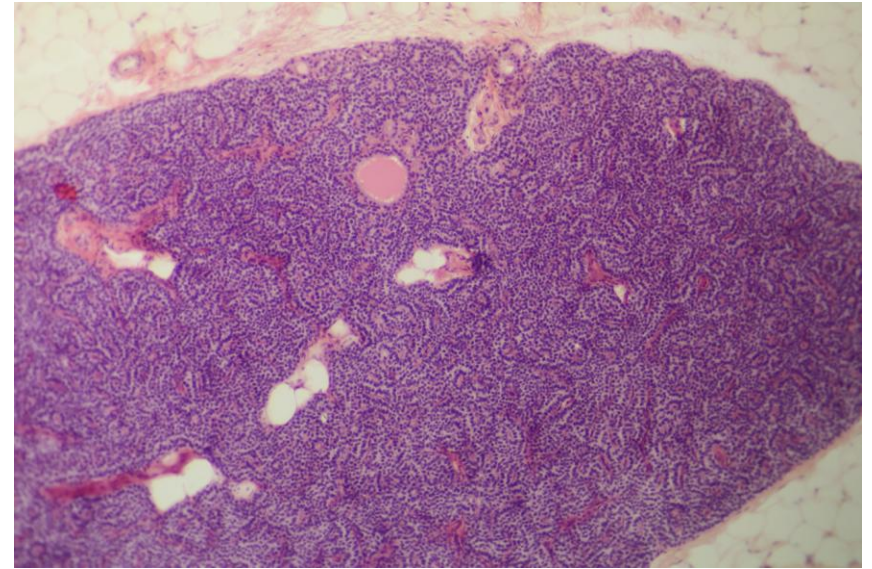

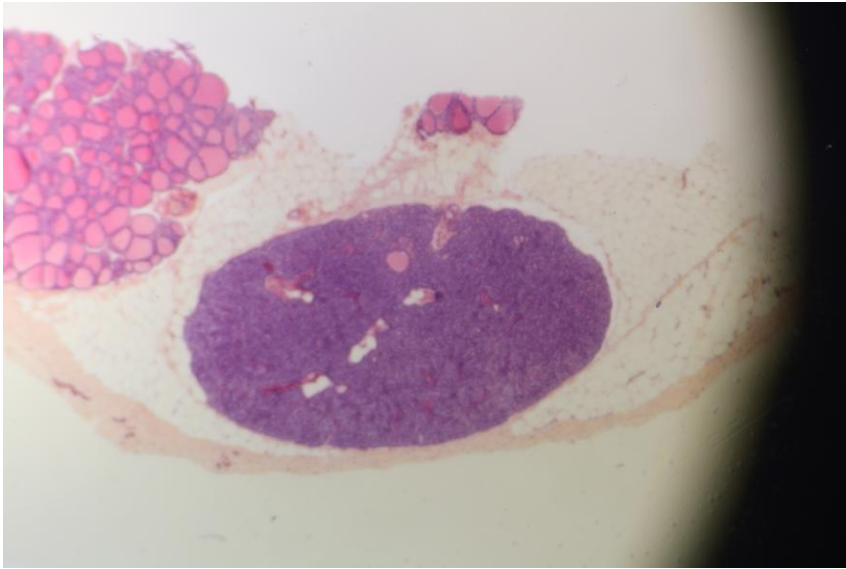

Thyroid follicles and mouth eaten appearance

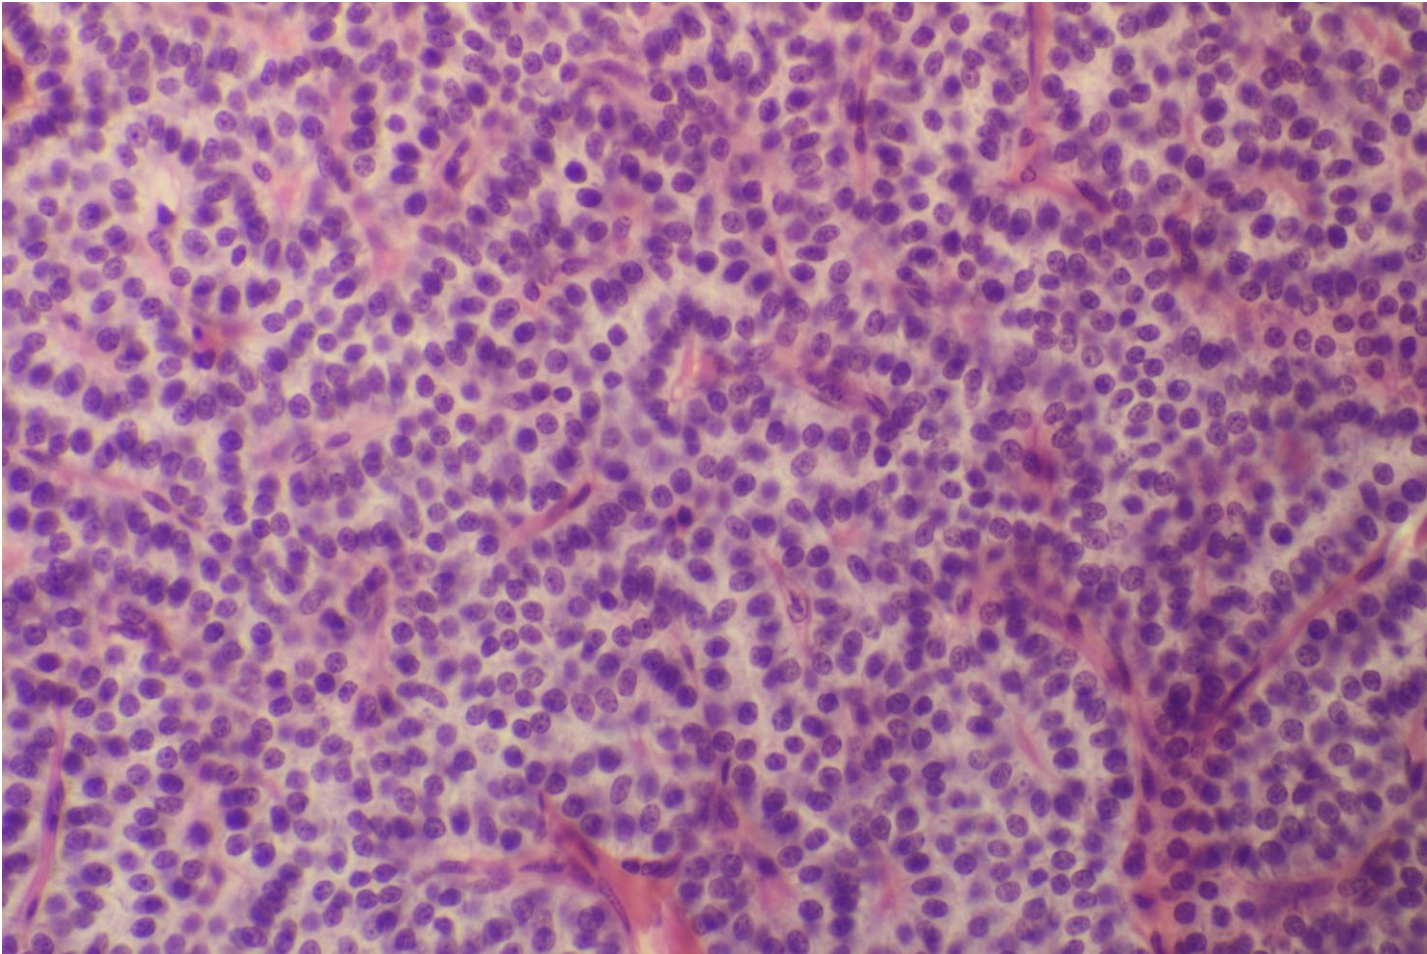

Parafollicular cells (C cells)

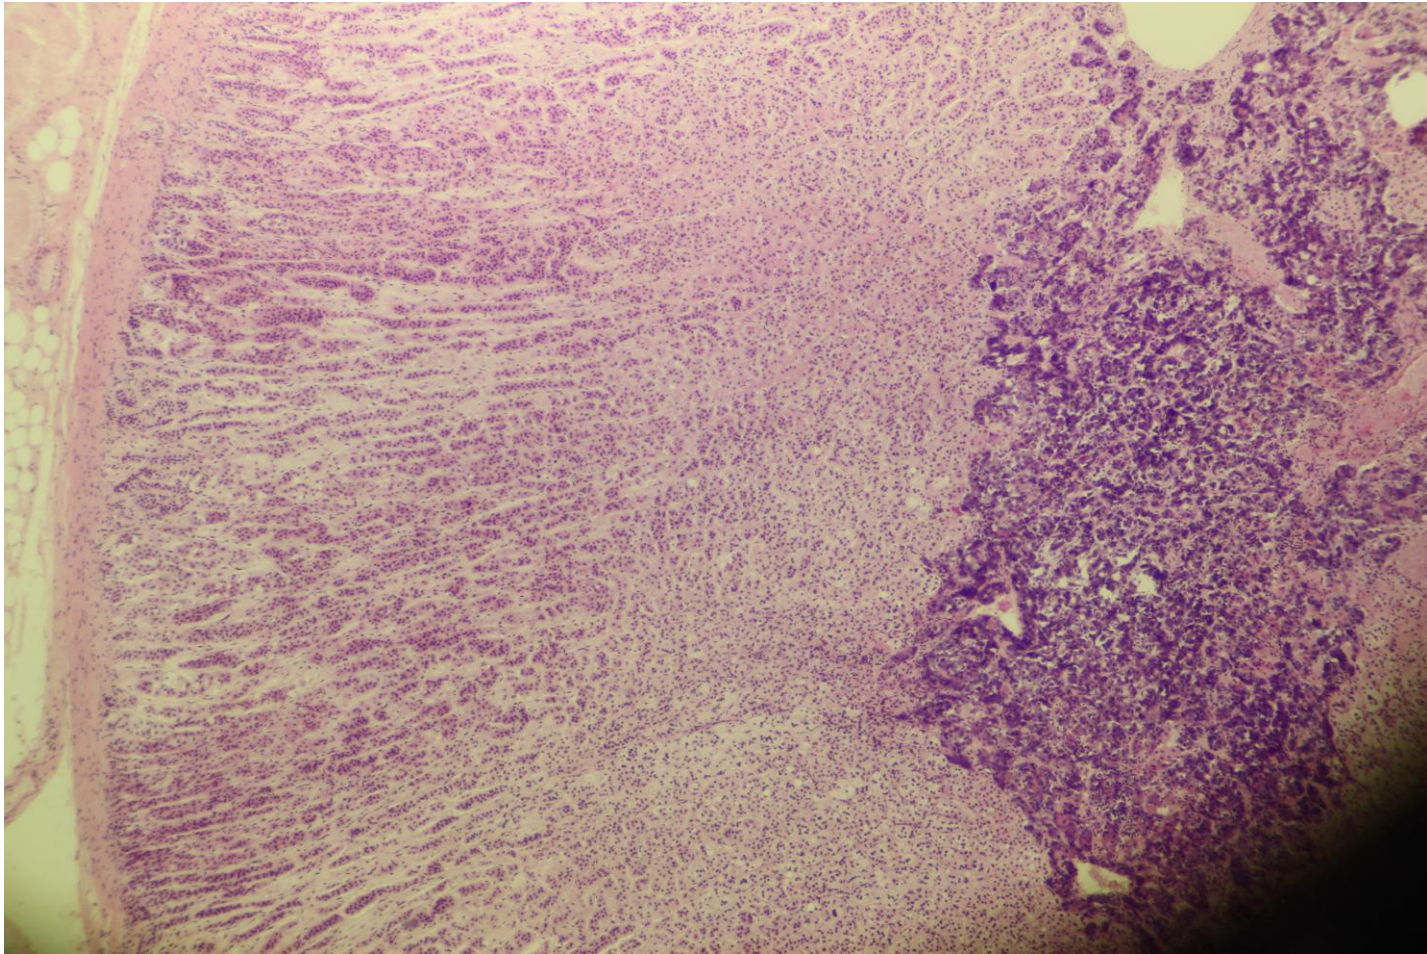

Parathyroid gland

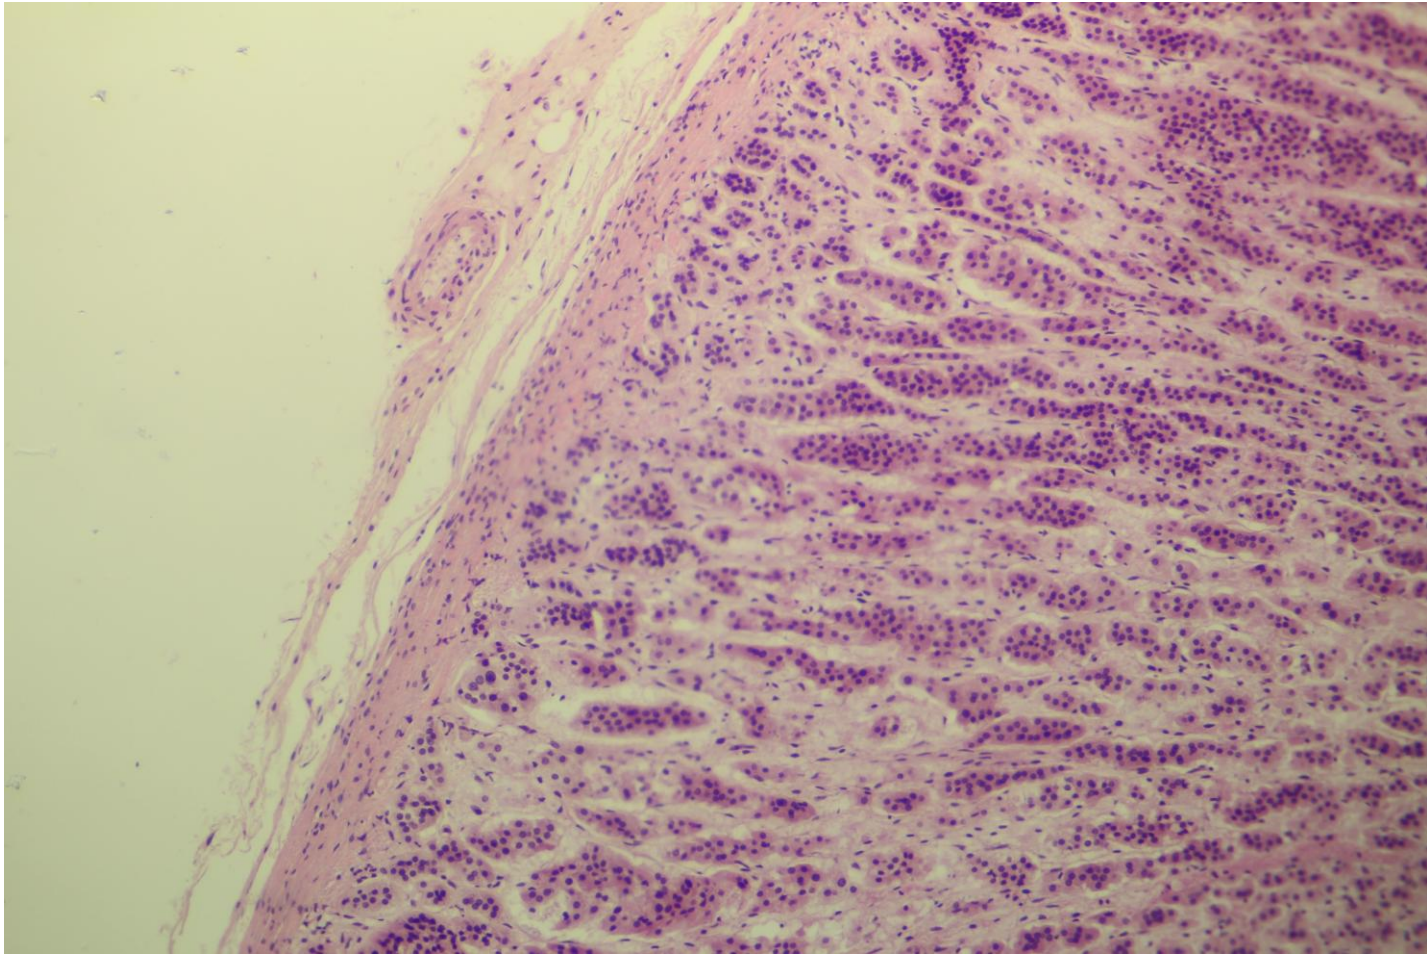

Parathyroid gland

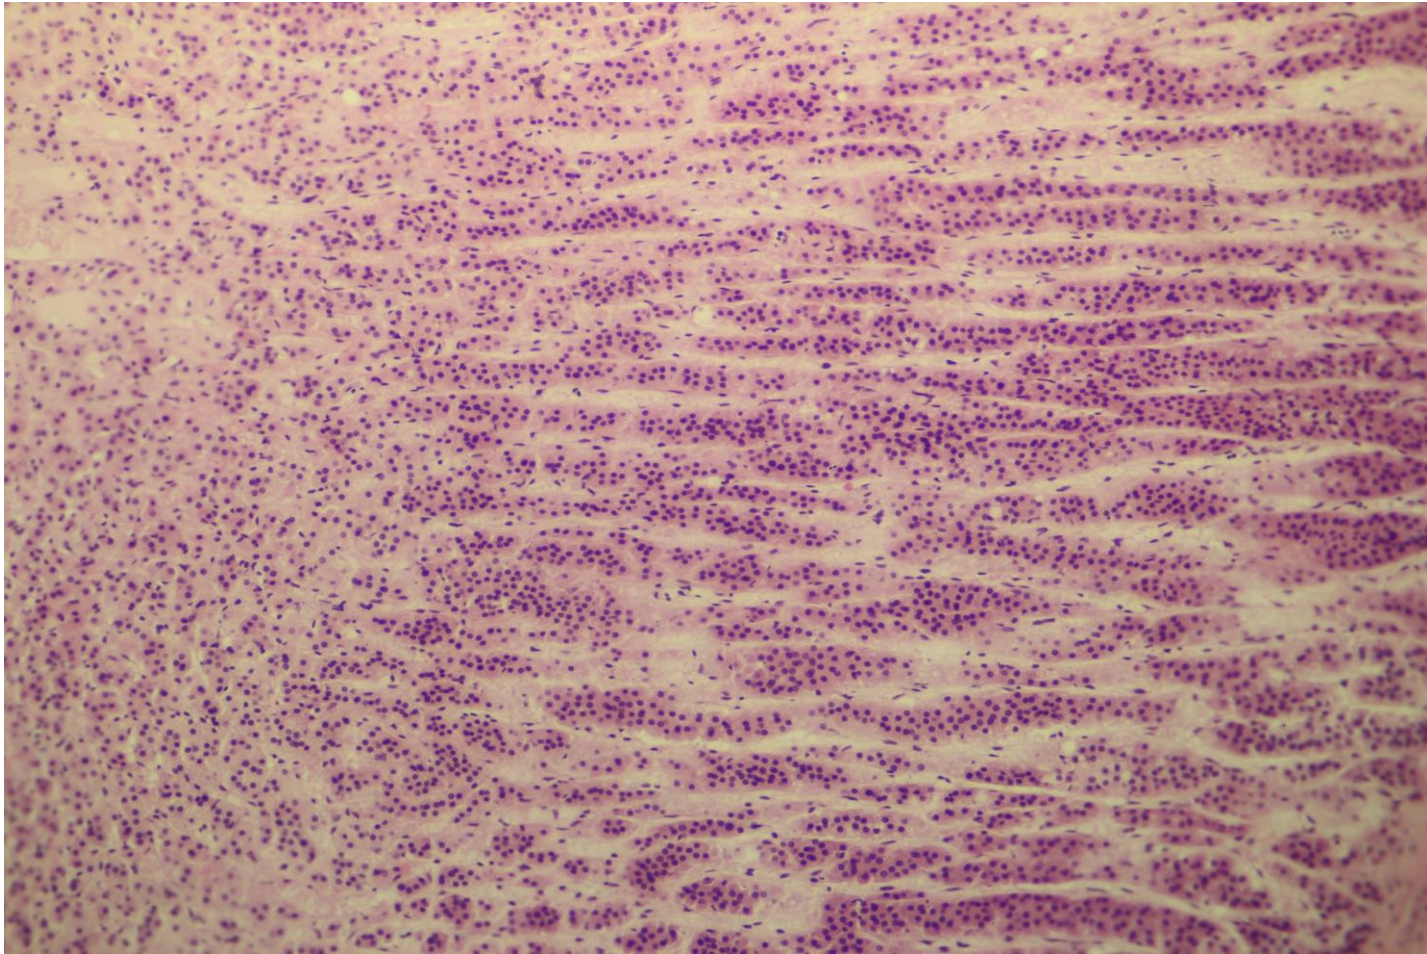

Adrenal gland

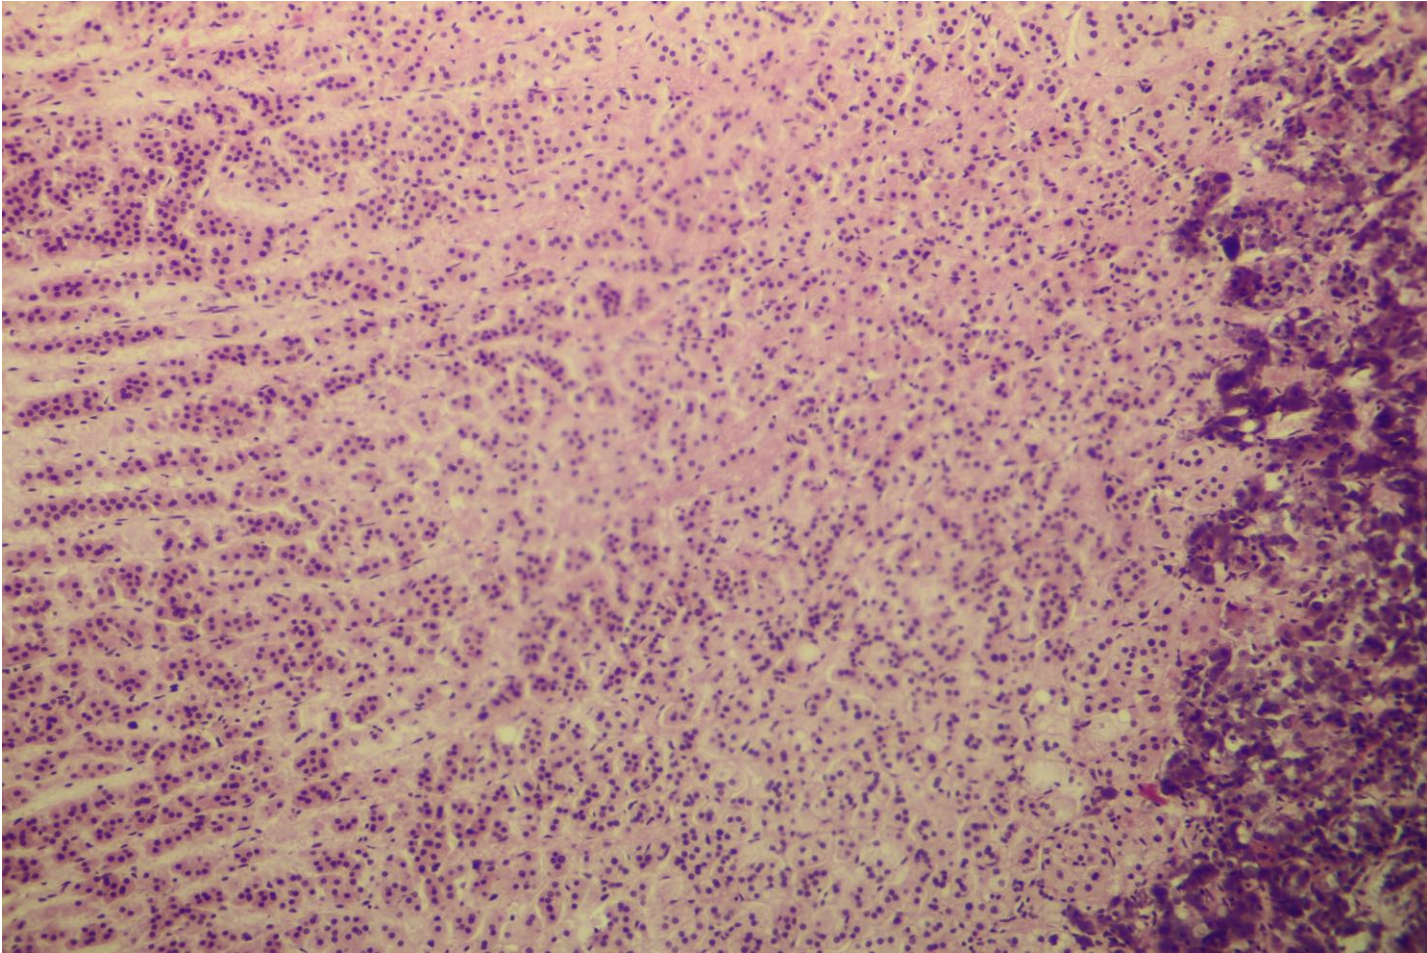

Zona glomeruloza

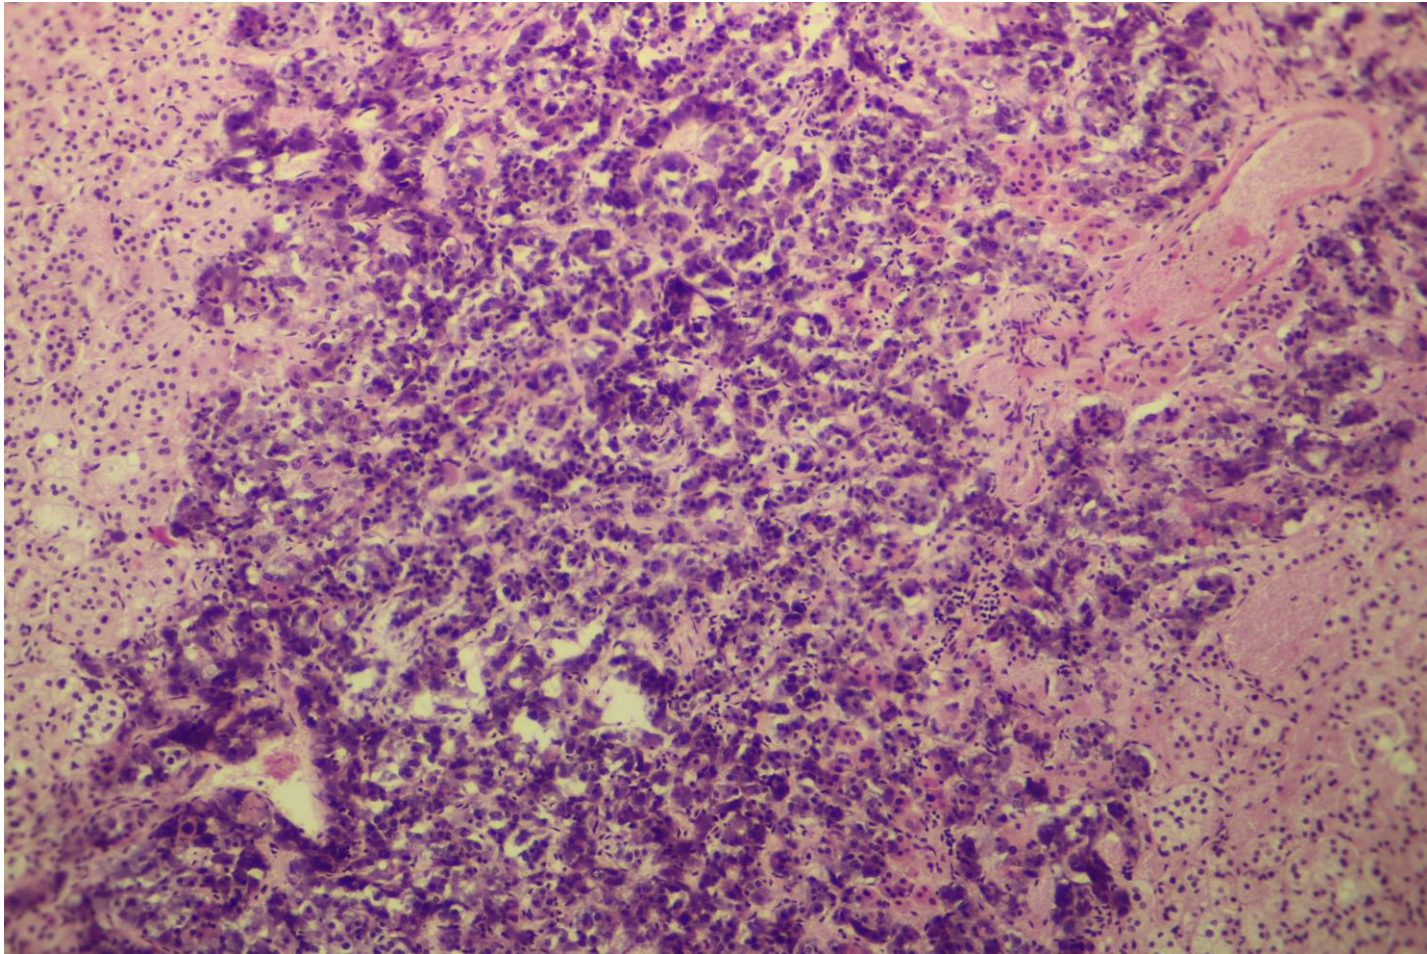

Zona fasciculata

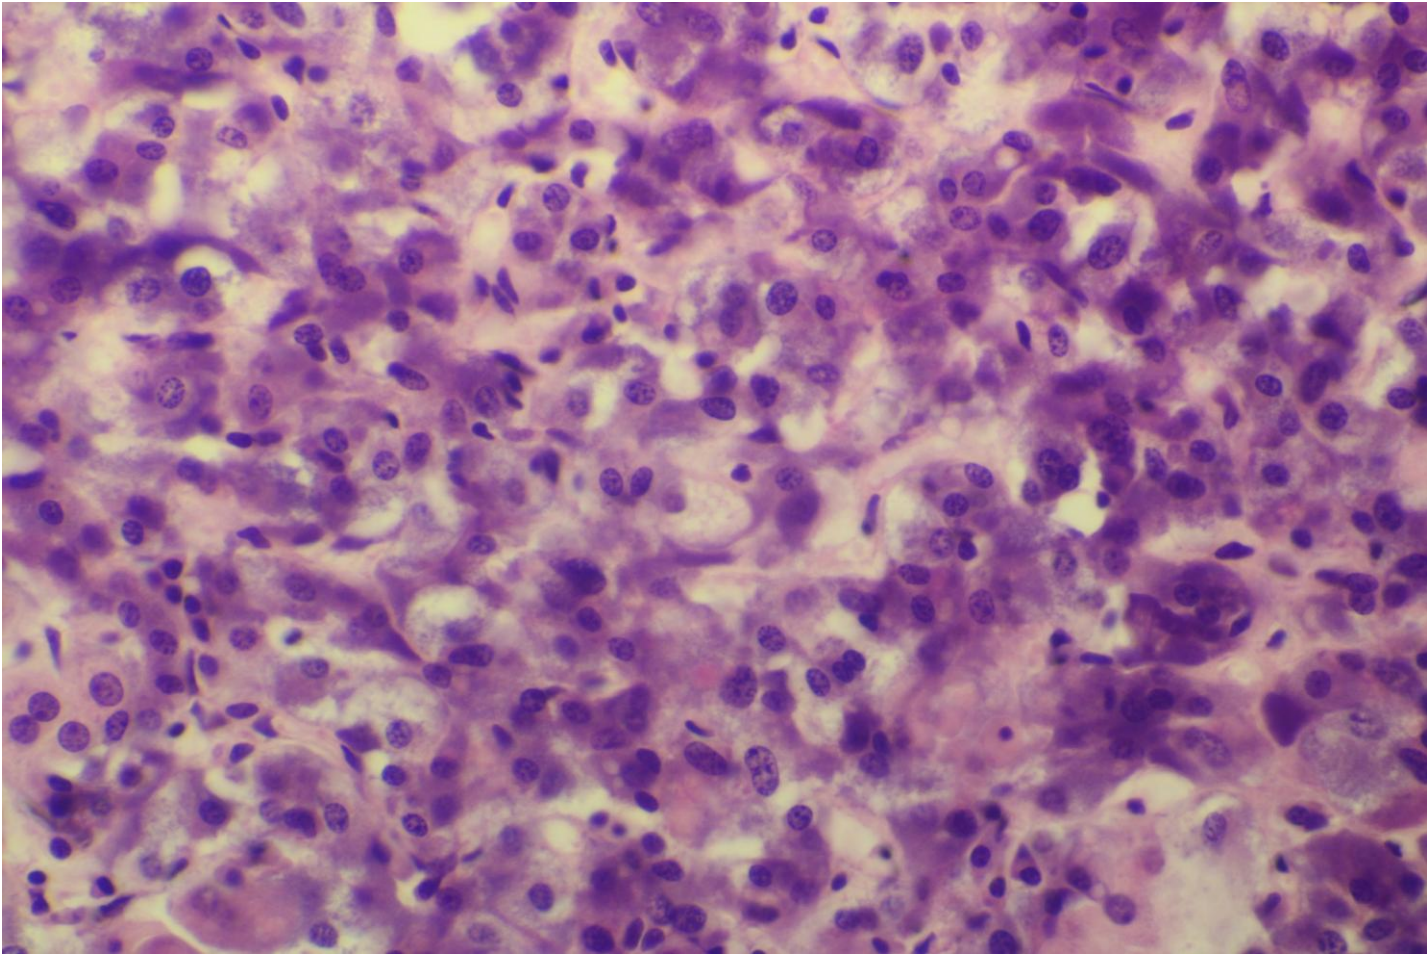

Zona reticularis

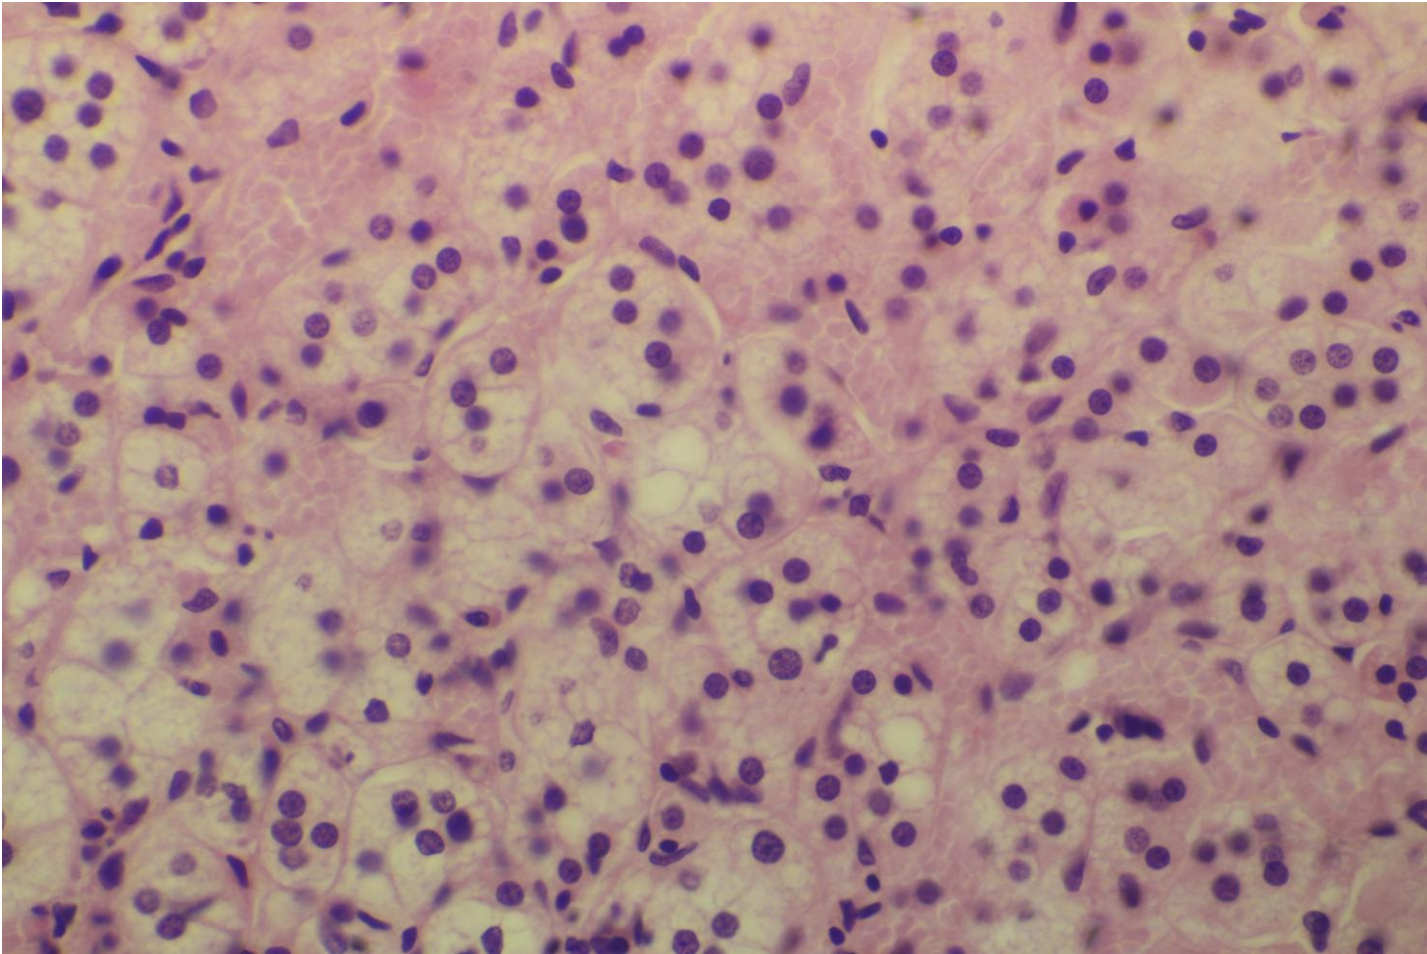

Adrenal medulla

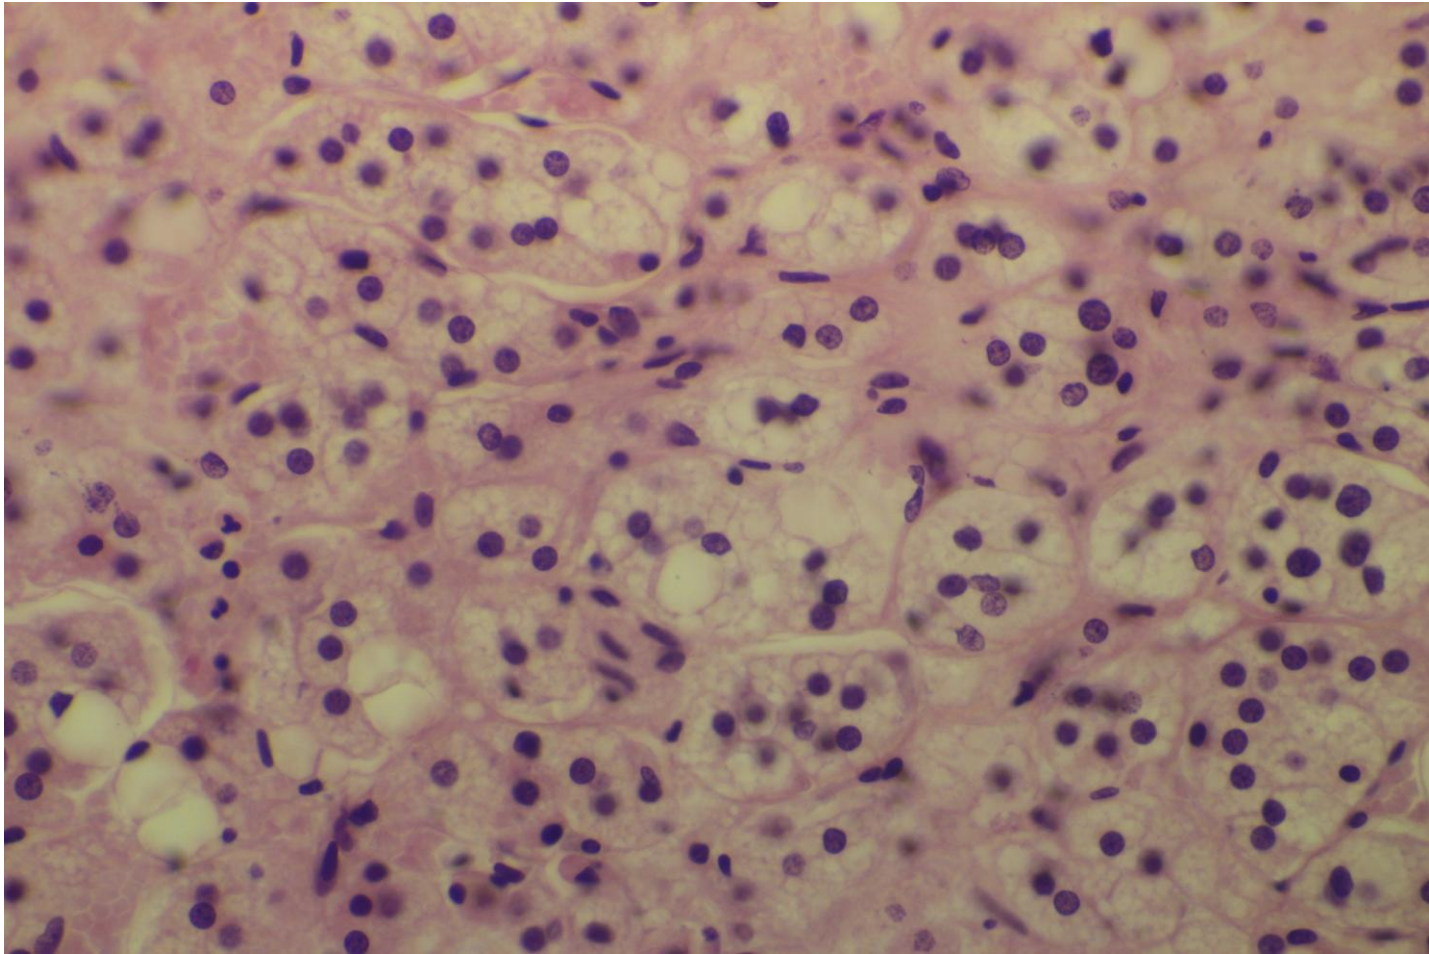

Chromaffin cells

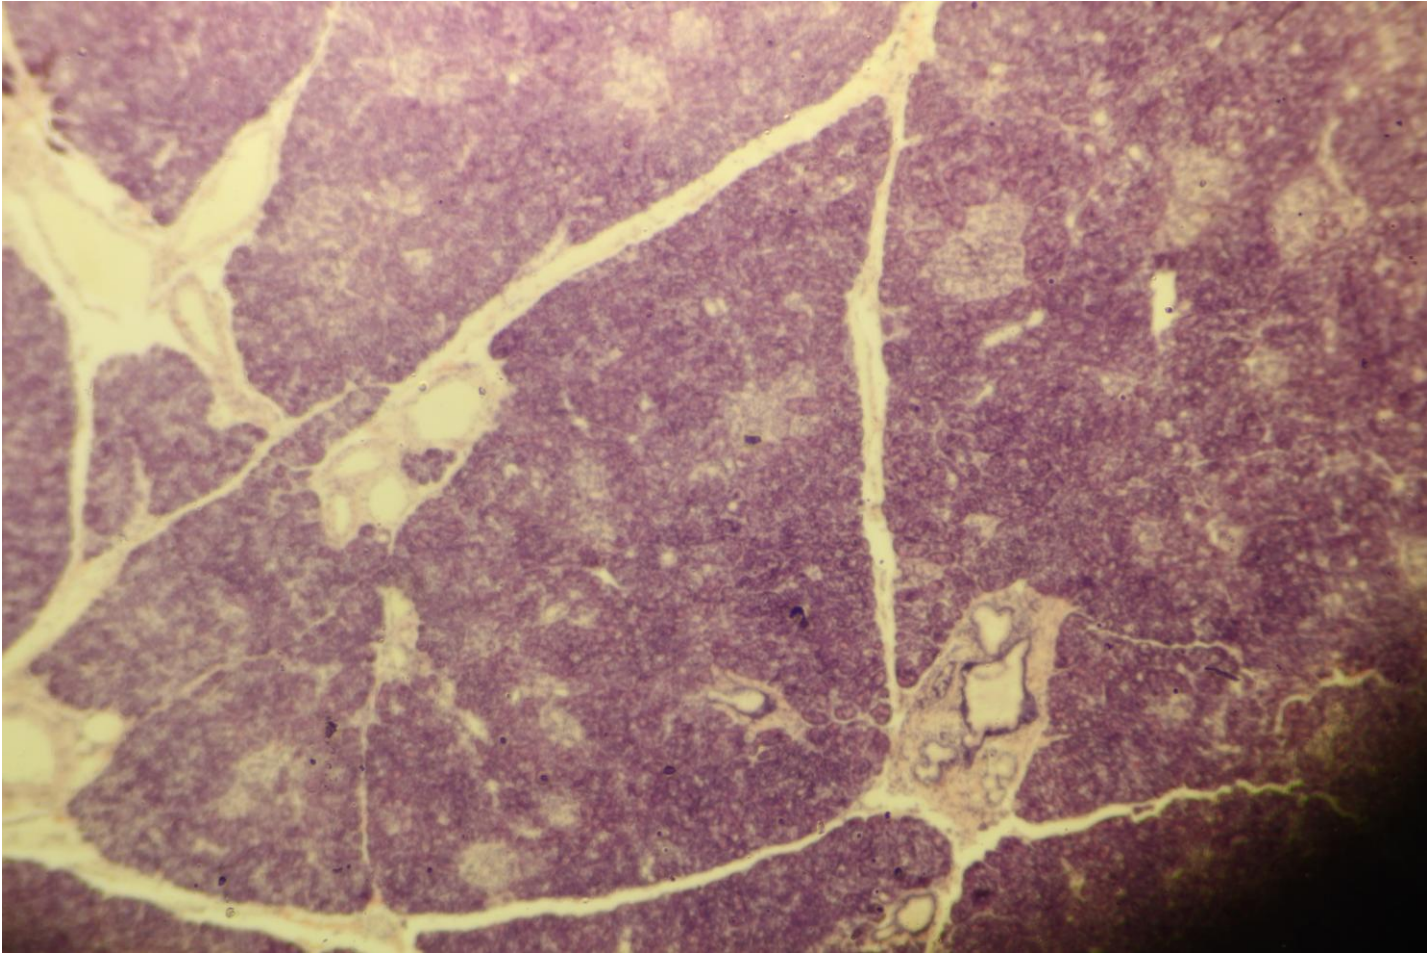

Spongiocytes

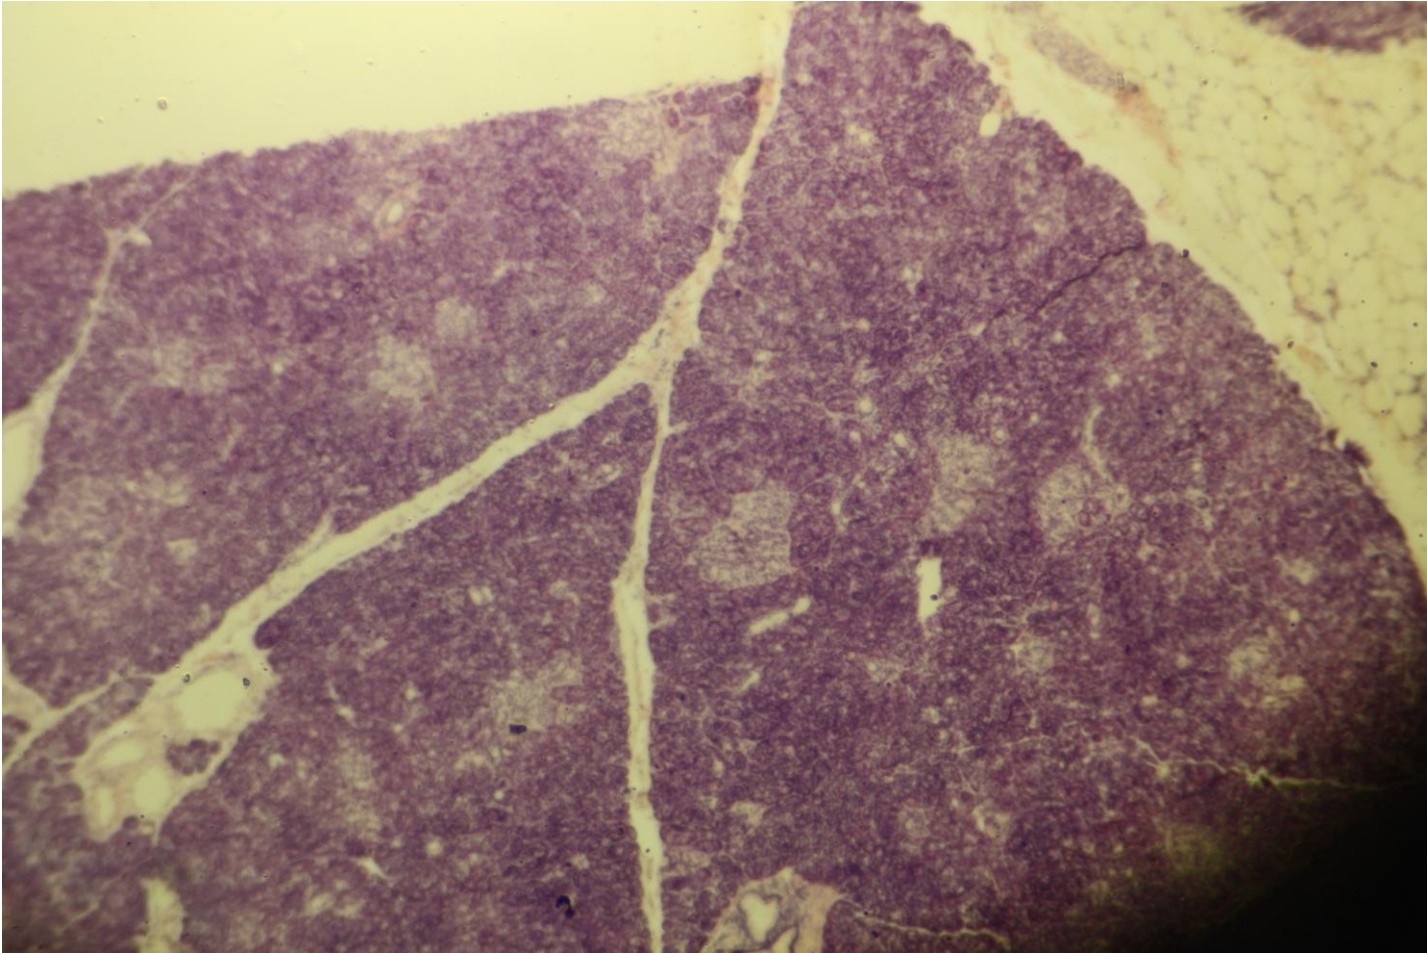

Spongiocytes

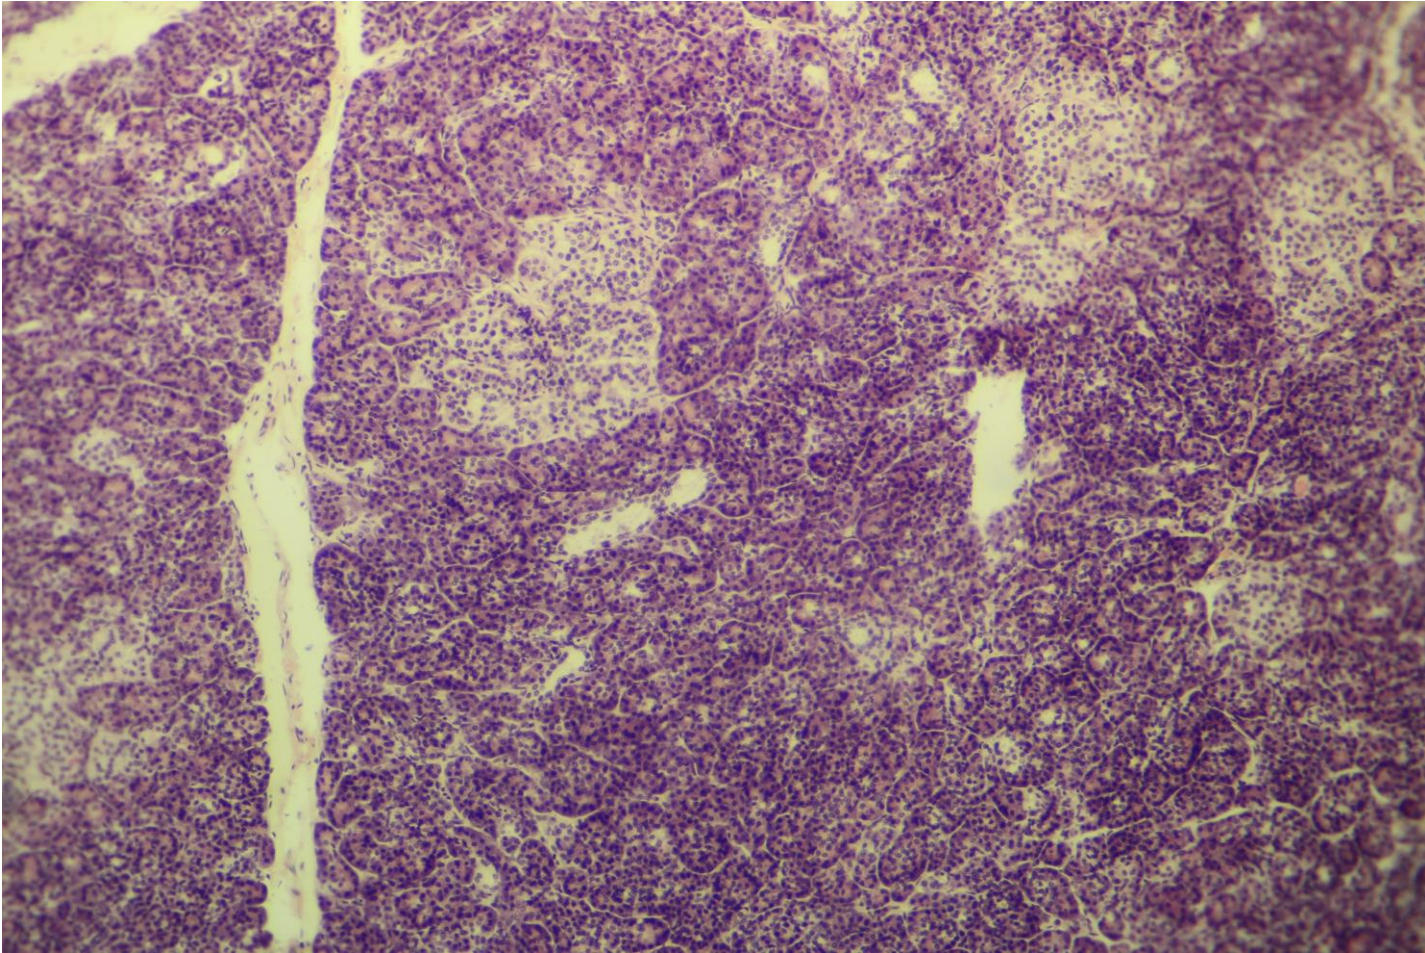

Pancreas

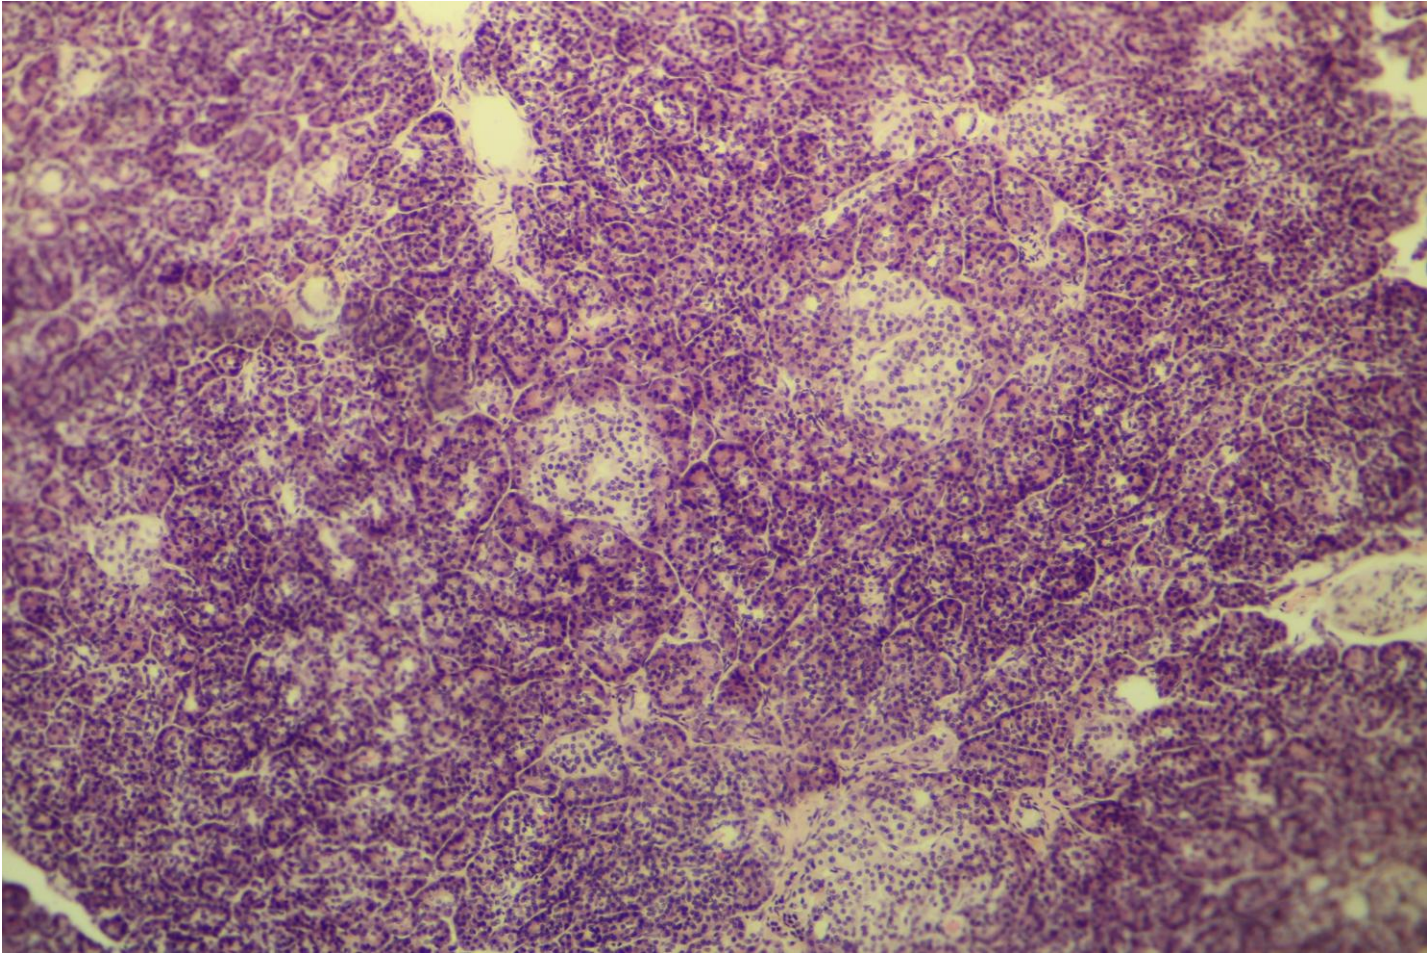

Pancreas

Islet of Langerhans

Islet of Langerhans
