Report for Lab of Organic chemistry/3 Third stage/Date5 / 11 /2018					
Degree number:	Written:				
Practical Degree (3 mar	ks maximum )				
Name of Experiment : P	reparation of Aspirin				
Name :	Group : A				
Partners name :					
The General equation :			55 P	~	
Calculations		<u>nor</u>			
Weight of filter paper which	n is an empty				
The weight of precipitate wi					
The weight of precipitate wi	thout the filter paper				
The percentage		%			
				_	
			~		
			Supervi	isor Signature	

H.W.       Was the experiment successful?     Yes     No       Was the experiment successful?     Yes     No   Mention the reasons :       1.     2.       3.	Report for Lab of Organic chemistry /	3 Third st	age	/	Date	5 / 11 /2018
Mention the reasons : 1. 2. 3. Describe the product :	H.W.					
Mention the reasons : 1. 2. 3. Describe the product :						
Mention the reasons : 1. 2. 3. Describe the product :						
Mention the reasons : 1. 2. 3. Describe the product :						
Mention the reasons : 1. 2. 3. Describe the product :						
Mention the reasons : 1. 2. 3. Describe the product :						
Mention the reasons : 1. 2. 3. Describe the product :						
Mention the reasons : 1. 2. 3. Describe the product :						1
Mention the reasons : 1. 2. 3. Describe the product :				Ċ	Y	
Mention the reasons : 1. 2. 3. Describe the product :				5		
1.   2.   3.   Describe the product :	Was the experiment successful?	Yes	No			
2. 3. Describe the product :		(				
3. Describe the product :	1.
