- What to do with Edmodo?
- How can I Register as Teacher?
- What about Student?
- Discussions and Q&A..

What is Edmodo?

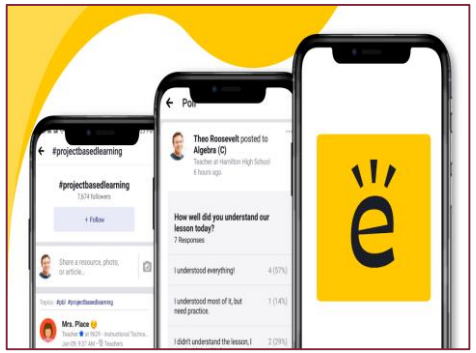
Edmodo is an educational website, a social network . It helps students and teachers to share ideas, problems, and helpful tips.

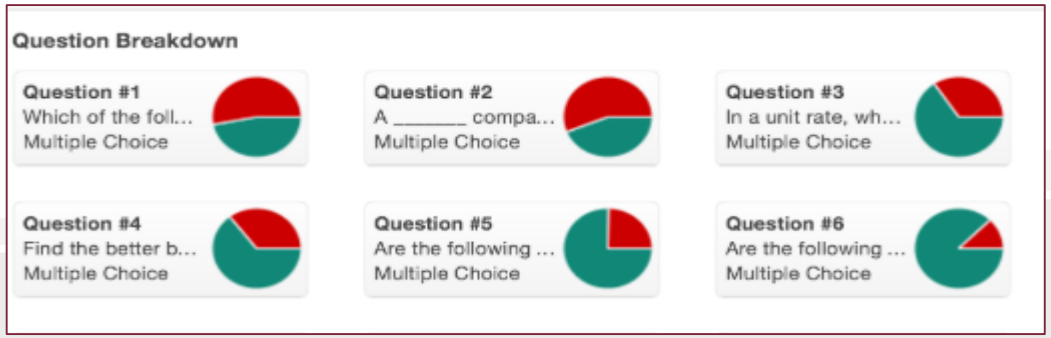
With everything on one platform, Edmodo is designed to give you complete control over your digital classroom.

Founded in Chicago, Illinois, Edmodo was created to bring education into a 21st century environment. Founded September 1, 2008.
Today, Edmodo is based in San Mateo, California.....

Why Edmodo?

- Top Apps for Teachers
- Suite of assessment tools to measure student progress on educational standards.
- Cool Tool Award for Best Assessment Solution.
- The company has partnered with Google and others.

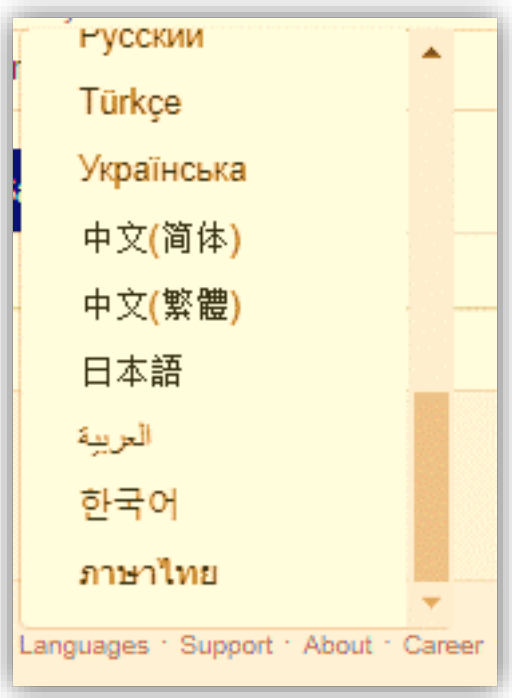




Edmodo Features

- Social learning network
- Social learning tools
- Networked learning
- Available in English, and Others

- Users 66.9 million
- Registration is required



What to do with Edmodo ?

Create Class & Class Management:
Select the "**Create a group**" link in the "**Groups**" section on the left panel of your Edmodo homepage.

Group Management:
Having full control of your class has never been easier.

Content Management:
1) Create & Manage Library
2) Add Content to Library
3) Create Folders

Posting Notes:
This is the main feature of what makes Edmodo great. The ability for you and your students to post and respond to other posts easily and in real time. It is very easy to do and very helpful.

Posting Alert: Alerts are used to send important messages to people or groups.

Posting Polls:

Post an Assignment:

Filters: You may notice that important information can get buried under comments and replies from you and students.

What to do with Edmodo ?

Creating a Quiz (Exam):

Edmodo offers way to create and give online quizzes. Just like assignment, once you create a quiz.
