#### *International legal personality of the united nations*

The International legal personality of U.N organization has been reaffirmed by the judgment of the international court of justice. That is in the known case of (reparation for injuries), which arose out of the murder of Count Bernadotte ,the united nations mediator in Palestine which sent to investigate on the question of the protection of human rights of Palestinians in 1948..

However , legal personality of international organization appears when the organization takes its function according to a specific constitution based on rules of international law for example ,the organs of united nations organization perform their functions with interests of members to a certain limit since that its legal personality derives from the agreed charter .

The U.N organization has its legal personality which is distinct from that of its members states.
