

## **Change and development**

### The development models

1. The commitment of the international community to provide adequate financial assistance and technical support to developing countries to enable them to build social protection
2. The development model with a view to enhancing productive options and developing the manufacturing and agriculture sectors capable of generating sustainable and decent employment.
3. The new development model must foster gender equality, peace and the right to self-determination.
4. To promote women's civil, political, economic, social and cultural rights and to combat violations, discrimination and violence against women.
