

Practical Homework

Q1\ Write complete Matlab program in order to draw horizontal line?

Q2\ Write complete Matlab program in order to draw vertical line?

Q3\ Write complete Matlab program in order to draw diagonal line with slope (+1) and slope (-1)?

Q4\ Write complete Matlab program in order to draw arbitrary line using direct method?

Q5\ Write complete Matlab program in order to draw arbitrary line using DDA algorithm?

Q6\ Write complete Matlab program in order to draw arbitrary line using Bresenham's algorithm?
